"I" ITEM NOTE

from : the Legal Service
to : the Permanent Representatives Committee (Part 2)
Subject : Authorisation to produce Council documents before the Court of Justice in Case A-2/13 and decision on the necessary de-classification of these

The agents of the Council in the Case before the Court referred to above, consider that it would be in the interest of the Council for its argumentation in this case to be able to refer to specific annexes to the documents listed in Annex I to the present note.

In the opinion of the Council Legal Service the annexes in question do not contain any information which, if produced before the Court of Justice in the present case, could be prejudicial to the Council's interests.

It is therefore suggested that Coreper, in accordance with Articles 6(2) and 19(7)(b) of the Council's Rules of Procedure, grant the authorisation requested and decides on the de-classification to the level "LIMITE" of Annex III to document 10817/10 and of Annex II to document 8915/12, which both are classified as RESTREINT EU/EU RESTRICTED.
