Subject:	Future of DAPIX expert meetings

During the LV Presidency, some Member States emphasised the need to maintain expert meetings on DNA, FP, VRD topics. However, the incoming Presidency estimates that such meetings should only take place if a substantial agenda is available.

In order to draw up a report on the further process of the meetings, the incoming Presidency stresses the importance of sharing opinions on this topic. Therefore, the incoming Presidency likes to submit the below questionnaire inviting delegations to state their position on the need of maintaining such expert meetings.

Upon receipt of all the answers, LU will present to DAPIX the outcome of the questionnaire and a suggestion on how to organise future expert meetings.

Delegations are invited to submit their replies by 30 June 2015 at the latest to spj.dire@police.etat.lu and dapix@consilium.europa.eu in copy.
