Missing Migrants Project

Missing Migrants Project is a global database tracking data on deceased and missing migrants along migratory routes.

Download a copy of Fatal Journeys: Tracking Lives Lost During Migration from the IOM bookstore: publications.iom.int

Legend:
(a) Figures refer to documented instances and potentially depict only a small share of the actual number thus representing a base minimum.
(b) Includes deaths in Central Europe, Southeastern Europe, and Western Europe.

All numbers are estimates based on data from respective governments and IOM field offices as 14/1/16.

Missing Migrants Project is a joint initiative of IOM’s Global Migration Data Analysis Centre (GMDAC) and Media and Communications Division (MCD)
