NOTE

from :	German delegation
to :	SIS-TECH Working Group (Iceland/Norway Joint Committee)
Subject :	Request from the Czech delegation for SIS documents

During a meeting between CEE-Countries and the Schengen countries Austria, France and Germany in order to take the first steps to prepare the CEE-Countries' participation on the SIS, the German delegation was asked for more detailed information on data structures of SIS records. SIS-TECH Working Group is asked to express its opinion on providing them appropriate information by means of some excerpts of the C.SIS data dictionary.

However, the SIS Working Group has to decide on the request from the Czech delegation.
