Dear [REDACTED],

Hereby I forward you the information I received from the controller.

In addition, they asked to forward following additional information for clarification:

*The attached statistical data reflects all cases where the prerequisites of the application were met and the application was successfully completed.*

*A total 57 of applications were received during the period. In the case of 50 requests, we asked the person to identify himself using additional methods, but no additional information on identification was received and therefore application was not successfully completed.*

[REDACTED]

Best regards,

[REDACTED]
