CHAPTER I
General provisions

Article 1
Subject matter

1. This Regulation establishes a 'European Travel Information and Authorisation System' (ETIAS) for third country nationals exempt from the requirement to be in possession of a visa when crossing the external borders ('the visa requirement') or when in airport transit enabling to determine whether their presence in the territory of the Member States does not pose an illegal immigration, security or public health risk. For this purpose a travel authorisation and the conditions and procedures to issue or refuse it are introduced.

2. This Regulation lays down the conditions under which Member States' law enforcement designated authorities and the European Union Agency for Law Enforcement Cooperation Police Office (Europol) may consult data stored in the ETIAS Central System for the purposes of the prevention, detection and investigation of terrorist offences or of other serious criminal offences falling under their competence.
Article 2
Scope

1. This Regulation applies to the following categories of third country nationals exempt from the visa requirement:

(a) nationals of third countries listed in Annex II to Council Regulation (EC) No 539/2001 who are exempt from the visa requirement for airports transits or intended stays in the territory of the Member States of a duration of no more than 90 days in any 180 day period;

1. Applicants shall lodge an application by filling in the online application form via the dedicated public website or via the mobile app for web devices sufficiently in advance of any intended travel.

1a. Holders of a valid travel authorisation may lodge an application for a new travel authorisation as from 91 days before the expiry date of the valid travel authorisation.

91 days before the expiry of the travel authorisation, the ETIAS Central System shall automatically inform notify the holder of that travel authorisation via the email service about the expiry date and the possibility to lodge an application for a new travel authorisation.

1b. All communications with the applicant for the purpose of his or her application for a travel authorisation shall be done by email sent to the email address provided by the applicant in the application form as referred to in Article 15(2)(g).

2. Applications may be lodged by the applicant or by a person or a commercial intermediary authorised by the applicant to lodge the application in his or her behalf.

Article 14
The public website and mobile app for mobile devices

1. The public website and the mobile app for mobile devices shall enable third country nationals subject to the travel authorisation requirement to launch a travel authorisation application, to provide the data required in the application form in accordance with Article 15 and to pay the travel authorisation fee.

2. The public website and the mobile app for mobile devices shall make the application form widely available and easily accessible to applicants free of charge.

3. The public website and the mobile app for mobile devices shall be available in all the official languages of the Member States.
4. Where the official language(s) of the countries listed in Annex II of Council Regulation (EC) No 539/2001 do not correspond to the languages referred to in paragraph 3, factsheets with information concerning the content and the use of the public website and the mobile app for mobile devices and explanatory information shall be made available by eu-LISA on the public website and on the mobile app for mobile devices in at least one of the official languages of the countries referred to. Where any such country has more than one official language, such factsheets shall only be necessary if none of those languages correspond to the languages referred to in paragraph 3.

5. The public website and the mobile app for mobile devices shall inform applicants of the languages which may be used when filling in the application form.

6. The public website and the mobile app for mobile devices shall provide the applicant with an account service enabling applicants to provide additional information and/or documentation, where required.

8a. The public website and the mobile app for mobile devices shall enable the applicant to submit a contact form selecting from a predetermined list of options to indicate that the purpose of the intended stay relates to humanitarian grounds, reasons of national interest or international obligations.

6b. The public website shall contain the information referred to in Article 61.

7. The Commission shall adopt detailed rules on the conditions for operation of the public website and the mobile app for mobile devices, and on the data protection and security rules applicable to the public website and the mobile app for mobile devices. Those implementing measures shall be adopted in accordance with the examination procedure referred to in Article 79(2).

Recital 30 will be amended as follows: "When, in exceptional circumstances, a Member State considers necessary to allow a third country national to travel to its territory on humanitarian grounds, for reasons of national interest or because of international obligations, it should have the possibility to issue a travel authorisation with limited territorial and temporal validity. Considering the nature of the travel authorisation as an authorisation to travel to the territory of Member States for the purpose of a short stay or airport transit, reasons relating to international protection do not constitute humanitarian grounds in terms of issuance of travel authorisations with limited territorial validity."

4. The Commission shall be empowered to adopt delegated acts in accordance with Article 78 on the payment methods and process for the travel authorisation fee and on changes to the amount of that fee which shall take into account any increase in the costs referred to in Article 74.

\[^{12}\] A recital will be added to clarify that the fees should be sufficient to cover the costs: "The operational and maintenance costs of the ETIAS Information System, the ETIAS Central Unit and of the ETIAS National Units should be covered entirely by the revenues generated by the fees. The fee should therefore be adapted as necessary, having regard to the costs."
CHAPTER III
Creation of the application file and examination of the application by the ETIAS Central System

Article 17
Admissibility and creation of the application file

1. The ETIAS Central System shall automatically verify whether, following submission of an application:
   (a) all the fields of the application form are filled in and contain all the items referred to in Article 15(2) and (4),
   (b) the travel authorisation fee has been collected.

2. When the application is deemed admissible pursuant to paragraph 1, the ETIAS Central System shall automatically create an application file without delay and assign it an application number.

3. Upon creation of the application file, the ETIAS Central System shall record and store the following data:
   (a) the application number;
   (b) status information, indicating that a travel authorisation has been requested;
   (c) the personal data referred to in Article 15(2), and (4) and (6) including the three letter code of the country issuing the travel document;
   (d) the data referred to in Article 15(85);
   (e) the date and the time the application form was submitted as well as a reference to the successful payment of the travel authorisation fee and the unique reference number of the payment.

4. Upon creation of the application file, the ETIAS Central System shall determine whether the applicant already has another application file in the ETIAS Central System by comparing the data referred to in Article 15(2)(a) with the personal data of the application files stored in the ETIAS Central System. In such a case, the ETIAS Central System shall link the new application file to any previous existing application file created for the same applicant.

5. Upon creation of the application file, the applicant shall immediately receive a notification via the email service:
   (a) status information, acknowledging the submission of an application for travel authorisation; and
   (b) the application number.
Article 18

Automated processing

1. The application files shall be automatically processed by the ETIAS Central System to identify hit(s). The ETIAS Central System shall examine each application file individually.

2. The ETIAS Central System shall compare the relevant data referred to in Article 15(2)(a),(b), (c),(d),(f),(g), (ja) except in case of transit, (m) and (8) to the data present in a record, file or alert registered in the ETIAS Central System, the Schengen Information System (SIS), [the Entry/Exit System (EES)], the Visa Information System (VIS), [the Eurodac], [the European Criminal Records Information System (ECRIS)], the Europol data, the Interpol Stolen and Lost Travel Document database (SLTD), and the Interpol Travel Documents Associated with Notices database (Interpol TDAWN).

In particular, the ETIAS Central System shall verify:

(a) whether the travel document used for the application corresponds to a travel document reported lost, stolen or invalidated in the SIS;

(b) whether the travel document used for the application corresponds to a travel document reported lost, stolen or invalidated in the SLTD;

(c) whether the applicant is subject to a refusal of entry alert recorded in the SIS;

(d) whether the applicant is subject to an alert in respect of persons wanted for arrest for surrender purposes on the basis of a European Arrest Warrant or wanted for arrest for extradition purposes in the SIS;

(e) whether the applicant and the travel document correspond to a refused, revoked or annulled application for travel authorisation in the ETIAS Central System;

(f) whether the data provided in the application concerning the travel document correspond to another application for travel authorisation associated with different identity data referred to in Article 15(2)(a) in the ETIAS Central System;

(g) [whether the applicant is currently reported as overstayer, whether he has been reported as overstayer in the past through consultation of the EES;]

(h) [whether the applicant was refused entry through consultation of the EES;]

(i) whether the applicant has been subject to a decision to refuse, revoke or annul a short stay visa recorded in the VIS;

(j) whether the data provided in the application corresponds to data recorded in the Europol data;

(k) [whether the applicant was subject to a return decision or a removal order issued following the withdrawal or rejection of the application for internal international protection in the Eurodac;]
(l) [whether the applicant corresponds to a person whose data is recorded in the ECRIS;]¹³

(m) whether the travel document used for the application corresponds to a travel document recorded in a file in the Interpol TDAWN;

3. The ETIAS Central System shall verify whether the applicant has replied affirmatively to any of the questions listed in Article 15(4) and whether the applicant has not provided a home address but only his city and country of residence, as referred to in Article 15(2)(f).

4. The ETIAS Central System shall compare the relevant data referred to in Article 15(2)(a), (b), (c), (d), (f), (g), (i) (ja) except in case of transit, (k), (m) and (8) to the data present in the ETIAS watchlist referred to in Article 29.

5. The ETIAS Central System shall compare the relevant data referred to in Article 15(2)(a), (c), (f), (h) and (i) and the specific risk indicators referred to in Article 28.

6. The ETIAS Central System shall add a reference to any hit obtained pursuant to paragraphs (2) to (5) to the application file.

7. For the purposes of Article 4(e), the ETIAS Central System shall allow the comparison of the relevant data referred to in Article 15(2)(a), (b) and (d) to the data present in the SIS in order to determine whether the applicant is subject to one of the following alerts:

(a) an alert in respect of persons wanted for arrest for surrender purposes or extradition purposes;

(b) an alert in respect of missing persons;

(c) an alert in respect of persons sought to assist with a judicial procedure;

(d) an alert on persons and objects for discreet checks or specific checks.

Any hit resulting from this comparison shall be stored in the SIS.

8. Where the data recorded in the application file corresponds to the data triggering a hit pursuant to paragraphs 2 and 4, the ETIAS Central System shall identify, where relevant, the Member State(s) that entered or supplied the data having triggered the hit(s) and shall record this in the application file.

9. Following any hit pursuant to paragraphs (2)(i) and (4) and where no Member State had supplied the data having triggered the hit, the ETIAS Central System shall identify whether Europol entered the data and shall record this in the application file.

¹³ This wording will need to be adapted to specify that a hit will only be triggered in relation to terrorism and other serious criminal offences depending on the relevant proposal on ECRIS.
Article 19

Results of the automated processing

1. Where the automated processing laid down in Article 18(2) to (5) does not report any hit, the ETIAS Central System shall automatically issue a travel authorisation in accordance with Article 30 and shall immediately notify the applicant in accordance with Article 32.

1a. Where the automated processing laid down in Article 18(2) to (5) reports one or several hit(s), the application shall be assessed in accordance with the procedure laid down in Article 20.

2. Where the automated processing laid down in Article 18(2) to (5) reports one or several hit(s), the verification process laid down in Article 20 certifies that the data recorded in the application file corresponds to the data triggering a hit during the automated processing pursuant to Article 18(2) to (5) or where doubts remain concerning the identity of the applicant, the application shall be assessed in accordance with the procedure laid down in Article 22.

2a. Where the automated processing laid down in Article 18(3) reports that the applicant has replied affirmatively to any of the questions listed in Article 15(4), and if there is no other hit, the application shall be sent to the ETIAS National Unit of the responsible Member State for manual processing as set out in Article 22.

3. Where the automated processing laid down in Article 18(2) to (5) is inconclusive because the ETIAS Central System is not in a position to certify that the data recorded in the application file correspond to the data triggering a hit, the application shall be assessed in accordance with the procedure laid down in Article 20.
Article 20
Verification by the ETIAS Central Unit

1. Where the automated processing pursuant to Article 18(2) to (5) reports one or several hit(s) the ETIAS Central System shall automatically consult the ETIAS Central Unit.

2. The ETIAS Central Unit shall have access to the application file and the linked application file(s), if any, as well as to all the hits triggered during the automated processing pursuant to Article 18(2) to (5) and to the information identified by the ETIAS Central System according to Article 18(8) and (9).

3. The ETIAS Central Unit shall verify whether the data recorded in the application file corresponds to the data present in one of the consulted information systems/databases, the ETIAS watchlist referred to in Article 29 or the specific risk indicators referred to in Article 28.

4. Where the data do not correspond, and no other hit has been reported during the automated processing pursuant to Article 18(2) to (5), the ETIAS Central Unit shall delete the false hit from the application file and the ETIAS Central System shall automatically issue a travel authorisation in accordance with Article 30.

5. Where the data correspond to or where doubts remain concerning the identity of the applicant, the application shall be assessed in accordance with the procedure laid down in Article 22.

6. The ETIAS Central Unit shall complete the manual examination within a maximum of 12 hours from receipt of the application file.
Article 20a
Support of the objectives of the Schengen Information System

1. For the purposes of Article 4(e), the ETIAS Central System shall compare the data referred to in Article 15(2)(a), (b) and (d) to the data present in the SIS in order to determine whether the applicant is subject to one of the following alerts:
   (a) an alert on missing persons;
   (b) an alert on persons sought to assist with a judicial procedure;
   (c) an alert on persons for discreet checks, [inquiry checks] or specific checks.

2. Where the comparison referred to in paragraph 1 reports one or several hit(s) or where the applicant is subject to a SIS alert in respect of persons wanted for arrest for surrender purposes on the basis of a European Arrest Warrant or wanted for arrest for extradition purposes in accordance with Article 18(2)(d), the ETIAS Central System shall send an automated notification to the ETIAS Central Unit which shall verify whether the applicant personal data corresponds to the personal data contained in the alert having triggered that hit and upon confirmation, the ETIAS Central System shall send an automated notification to the SIRENE Bureau of the Member State that issued the alert.

3. The notification provided to the SIRENE Bureau of the Member State that issued the alert shall contain the following data:
   (a) surname(s), first name(s) and, if any, alias;
   (b) place and date of birth;
   (c) sex;
   (d) nationality(ies);
   (e) **address of the first intended stay or, in case of transit, Member State of first intended transit entry**;
   (f) travel authorisation status information, indicating whether a travel authorisation has been issued, refused or whether the application is subject to a manual assessment pursuant to Article 22;
   (g) a reference to the hit(s) obtained in accordance with paragraphs 1 and 2, including the date and time of the hit.

4. The ETIAS Central System shall add a reference to any hit obtained pursuant to paragraph (1) to the application file.

Recital 12 will need to be amended accordingly in order to further specify that once this information is transferred to the SIRENE bureaux, it is dealt with in accordance with SIS and is not used for the purposes of assessing the travel authorisation.
**Article 21**

*Specific rules for family members of EU citizens or of other third country nationals enjoying the right of free movement under Union law*

1. For third country nationals referred to in Article 2(1)(c), the travel authorisation as defined in Article 3(d) shall be understood as a decision issued in accordance with this Regulation indicating that there are no factual indications or reasonable grounds to conclude that the presence of the person on the territory of the Member States poses a security or public health risk in accordance with Directive 2004/38/EC.

2. When a third country national referred to in Article 2(1)(c) applies for a travel authorisation, the following specific rules shall apply:

   (a) the applicant shall provide the additional personal data referred to in Article 15(2)(l);

   (b) the applicant shall not reply to the question referred to in Article 15(4)(d);

   (c) the fee referred to in Article 16 shall be waived.

3. [When processing an application for a travel authorisation for a third country national referred to in Article 2(1)(c), the ETIAS Central Systems shall not verify whether:

   (a) the applicant is currently reported as an overstayer, or whether he or she has been reported as an overstayer in the past through consultation of the EES as referred to in Article 18(2)(g);

   (b) the applicant corresponds to a person whose data is recorded in the Eurodac as referred to in Article 18(2)(j).]

   The specific risk indicators based on irregular illegal immigration risks determined pursuant to Article 28(2) shall not apply.

4. An application for a travel authorisation shall not be refused on the ground of an irregular illegal immigration risk as referred to in Article 31(1)(e)(b).

5. The following rules shall also apply:

   (a) in the notification laid down in Article 32(1) the applicant shall receive information regarding the fact that he or she needs to be able to prove when crossing the external border his or her status as family member of a citizen exercising the right of free movement as referred to in Article 15(2)(l), which shall also include a reminder that the family member of a citizen exercising the right of free movement who is in possession of a travel authorisation only has a right to enter if the family member accompanies or joins the citizen exercising its right of free movement;
(b) an appeal as referred to in Article 32 shall be made in accordance with Directive 2004/38/EC;

(c) the retention period of the application file referred to in Article 47(1) shall be:

i) the period of validity of the travel authorisation;

ii) [one year from the last entry record of the applicant stored in the EES, where that period of one year ends on a later date than the period of validity of the travel authorisation; or]

iii) five years from the last decision to refuse, revoke or annul the travel authorisation in accordance with Articles 31, 34 and 35.
CHAPTER IV
Examination of the application by the ETIAS National Units

Article 21a
Responsible Member State

1. The Member State responsible for the manual processing of applications as referred to in Article 22 (the 'responsible Member State') shall be identified by the ETIAS Central System as follows:

(a) Where only one Member State is identified as having entered or supplied the data that triggered the hit pursuant to Article 18, that Member State shall be the responsible Member State.

(b) Where several Member States are identified as having entered or supplied the data that triggered the hits pursuant to Article 18, the Member State that has entered or supplied the most recent data corresponding to points (a) or (c) of Article 18(2), shall be the responsible Member State.

(c) Where several Member States are identified as having entered or supplied the data that triggered the hits pursuant to Article 18, but none of that data corresponds to points (a) and (c) of Article 18(2), the responsible Member State shall be the one that entered the most recent data.

(d) For the purposes of paragraphs (a) to (c), hits triggered by data not entered or supplied by a Member State shall not be taken into account in order to identify the responsible Member State. Where the manual processing of an application is not triggered by data entered or supplied by a Member State, the responsible Member State shall be the Member State of first entry intended stay or, in case of transit, no stay is intended, the Member State of first intended transit as declared by the applicant in accordance with Article 15(2)(j).

2. The ETIAS Central System shall indicate the Member State responsible in the application file.
Article 22

Manual processing of applications by the ETIAS National Units

[1. The Member State responsible for the manual processing of applications pursuant to this Article (the 'responsible Member State') shall be the Member State of first entry as declared by the applicant in accordance with Article 15(2)(j).]

2. Where the automated processing laid down in Article 18(2) to (5) reported one or several hit(s), the application shall be processed manually by the ETIAS National Unit of the responsible Member State. The ETIAS National Unit shall have access to the application file and the linked application file(s), if any, as well as to all the hits triggered during the automated processing laid down in Article 18(2) to (5). The ETIAS Central Unit shall inform the ETIAS National Unit of the responsible Member State whether one or several other Member States or Europol were identified as having entered or supplied the data that triggered the hit pursuant to Article 18(2) or (4). Where one or several Member States were identified as having entered or supplied the data that triggered such hit, the ETIAS Central Unit shall also specify the Member States concerned.

3. Following the manual processing of the application, the ETIAS National Unit of the responsible Member State shall:
   (a) issue a travel authorisation; or
   (b) refuse a travel authorisation.

4. Where the automated processing laid down in Article 18(2) has reported a hit, the ETIAS National Unit of the responsible Member State shall:
   (a) where the hit corresponds to one or several of the categories laid down in Article 18(2)(a) to (c), refuse a travel authorisation.
   (b) where the hit corresponds to one or several of the categories laid down in Article 18(2)(b) and (d) to (m), assess the security or irregular illegal immigration risk and decide whether to issue or refuse a travel authorisation.

5. Where the automated processing laid down in Article 18(3) has reported that the applicant replied affirmatively to one of the questions referred to in Article 15(4), the ETIAS National Unit of the responsible Member State shall assess the security, irregular illegal immigration, security or public health risk and decide whether to issue or refuse a travel authorisation.

6. Where the automated processing laid down in Article 18(4) has reported a hit, the ETIAS National Unit of the responsible Member State shall assess the security risk and decide whether to issue or refuse a travel authorisation.

7. Where the automated processing laid down in Article 18(5) has reported a hit, the ETIAS National Unit of the responsible Member State shall assess the security, irregular illegal immigration, security or public health risk and decide whether to issue or refuse a travel authorisation.
Article 23

Request for additional information or documentation from the applicant

1. Where the ETIAS National Unit of the responsible Member State deems the information provided by the applicant in the application form to be insufficient to enable it does not allow the ETIAS National Unit of the responsible Member State to decide whether to issue or refuse a travel authorisation, that ETIAS National Unit may request the applicant for additional information or documentation.

2. The request for additional information or documentation shall be notified through the email service referred to in Article 6(2)(f) to the contact e-mail address recorded in the application file. The request for additional information or documentation shall clearly indicate the information or documentation that the applicant is required to provide, as well as a list of the languages in which the information or documentation may be submitted. That list shall include at least English or French or German unless it includes a language which is an official language of the third country which the applicant has declared to be a national of. Where additional documentation is requested, a copy of the original document(s) shall also be requested. If the original document(s) are in one of the official languages of the EU, no translation shall be required.

The applicant shall provide the additional information or documentation directly to the ETIAS National Unit through the secure account service referred to in Article 6(2)(g) within 7-12 calendar working days from the date of receipt of the request. The applicant shall provide such information or documentation in one of the languages notified in the request.

2a. For the purpose of requesting additional information or documentation as referred to in paragraph 1, the ETIAS National Unit shall use a predetermined list of options. The Commission shall be empowered to adopt delegated acts in accordance with Article 78 to lay down the content and format of that predetermined list of options.

3. The ETIAS National Unit shall process the additional information or documentation within 72 hours of the date of the submission by the applicant.

4. In exceptional circumstances, where the necessary arrangements have been made by the Member State concerned to enable this, the ETIAS National Unit of the responsible Member State may invite the applicant for an interview at a consulate in his or her country of residence.15

15 A recital will be added: "The possibility for the ETIAS National Unit of the responsible Member State to invite an applicant to an interview should be envisaged for cases where it considers it necessary for the purposes of assessing the application. This should not be construed as a right of the applicant or an obligation on the ETIAS National Unit of the responsible Member State, but remains at the discretion of the latter, taking into account, inter alia, the presence or otherwise of a consulate of that Member State in the country of residence of the applicant. The communication between the ETIAS National Unit and the consulate should be organised by the Member State concerned taking into account security and data protection requirements, should that Member State decide to avail of itself of this possibility for the ETIAS National Unit to invite the applicant for an interview."
5. The invitation shall be notified to the applicant by the ETIAS National Unit through the email service referred to in Article 6(2)(f) of the Member and shall be notified to the contact e-mail address recorded in the application file. Such notification shall take place within 84–96 hours from the lodging of an application which is admissible or 72 hours from the submission of the additional information or documentation pursuant to paragraph 2. The invitation shall include information as to the Member State issuing that invitation and the contact details of the consulate where the interview may take place. The interview shall take place within 48 calendar days from the notification of the invitation. The invitation shall be recorded in the application file by the ETIAS Central System.

6. Where the applicant fails to reply to the invitation within the deadline or Where the applicant fails to attend the interview, the application shall be refused in accordance with Article 31(1) and the ETIAS National Unit of the responsible Member State shall inform the applicant without delay.

6b. Upon submission of the additional information or documentation in accordance with paragraph 2, the ETIAS Central System shall record and store that information or documentation in the application file. Additional information or documentation provided during an interview in accordance with paragraph 5 shall be added to the application file by the ETIAS National Unit of the responsible Member State.

7. The ETIAS National Unit shall resume the examination of the application from the moment the applicant provides the additional information or documentation or, where applicable, from the date of the interview.

Article 24
Consultation of other Member States

1. For the purpose of carrying out the assessment referred to in Article 22(4)(b) the ETIAS National Unit of the responsible Member State shall consult the authorities of the Member State(s) responsible for the data having triggered a hit pursuant to Article 18(2)(d),(e),(g),(h),(i) or (k). Where one or several Member States are identified as having entered or supplied the data having triggered a hit in accordance with Article 18(8), the ETIAS Central Unit shall notify the ETIAS National Unit of the Member State(s) involved, thereby launching a consultation process between them and the ETIAS National Unit of the responsible Member State.

2. For the purpose of carrying out the assessment referred to in Article 22(4)(b), (6) and (7) the ETIAS National Unit of the responsible Member State may consult the authorities of one or several Member States.

3. Where the responsible Member State consults with one or several Member States during the manual processing of an application, the ETIAS National Units of those Member States consulted shall have access to the relevant data of the application file as well as to the hits obtained by the automated system pursuant to Article 18 (2), (4) and (5) which are necessary for the purpose of the consultation. The ETIAS National Units of the Member States consulted shall also have access to the relevant additional information or documentation provided by the applicant following a request from the responsible Member State in relation to the matter for which they are being consulted.
4. The ETIAS National Unit of the Member States consulted shall:
   (a) provide a reasoned positive opinion on the application; or
   (b) provide a reasoned negative opinion on the application.

   The positive or negative opinion shall be recorded in the application file by the ETIAS
   National Unit of the Member State consulted.

5. The ETIAS National Unit of the Member States consulted shall reply within 24 hours from
   the date of the notification of the consultation. The failure by Member States to reply
   within the deadline shall be considered as a positive opinion on the application.

6. The ETIAS National Unit of the responsible Member State may also consult the ETIAS
   National Units of one or several Member States following the reply of an applicant to a
   request for additional information. In such a case, the ETIAS National Units of the
   Member States consulted shall also have access to the relevant additional information or
   documentation provided by the applicant following a request from the responsible Member
   State in relation to the matter for which they are being consulted. Where several Member
   States are consulted, the ETIAS National Unit of the responsible Member State shall
   ensure the coordination.

6a. The ETIAS National Unit of the Member States consulted shall reply within 60 hours from the date of the notification of the consultation. The failure by Member States to reply within the deadline shall be considered as a positive opinion on the application.

7. During this consultation process, the consultation request and the replies thereto shall be
   transmitted through the software referred to in Article 6(2)(j) ETIAS Communication
   Infrastructure and shall be made available to the ETIAS National Unit of the responsible
   Member State.

8. Where one or several Member States consulted provide a negative opinion on the
   application, the responsible Member State shall refuse the travel authorisation pursuant to
   Article 31.

---

Article 25
Consultation of Europol

1. For the purpose of carrying out the assessment of security risks following a hit pursuant to
   Article 18(2)(j) and (4), the ETIAS National Unit of the responsible Member State shall
   consult Europol in cases falling under Europol's mandate. The consultation shall take place
   through existing communication channels between the Member State and Europol as
   established under Article 7 of Regulation (EU) 2016/794. Where Europol is identified as
   having supplied the data having triggered a hit in accordance with Article 18(9), the
   ETIAS Central Unit shall notify it, thereby launching a consultation process between
   Europol and the ETIAS National Unit of the responsible Member State.
2. Where the responsible Member State consults Europol, the ETIAS National Unit of that Member State Central Unit shall transmit to Europol the relevant data of the application file as well as the hit(s) which are necessary for the purpose of the consultation. The ETIAS National Unit may transmit to Europol the relevant additional information or documentation provided by the applicant in relation to the request for travel authorisation for which Europol is consulted.

3. In any case, Europol shall not have access to the personal data concerning the education of the applicant as referred to in Article 15(2)(h) and the health of the applicant as referred to in Article 15(4)(a).

4. Where consulted in accordance with paragraph 1, Europol shall provide a reasoned opinion on the application. Europol's opinion shall be made available to the ETIAS National Unit of the responsible Member State which shall record it in the application file by the responsible Member State.

4a. The ETIAS National Unit of the responsible Member State may consult Europol following the reply of an applicant to a request for additional information. In such a case, the ETIAS National Unit may transmit to Europol the relevant additional information or documentation provided by the applicant in relation to the request for travel authorisation for which Europol is consulted.

5. Europol shall reply within 24 36 48 60 hours of the date of the notification of the consultation. The failure by Europol to reply within the deadline shall be considered as a positive opinion on the application.

5a. During this consultation process, the consultation request and the replies thereto shall be transmitted through the software referred to in Article 6(2)(j) and shall be made available to the ETIAS National Unit of the responsible Member State.

6. Where Europol provides a negative opinion on the application and the responsible Member State decides to issue the travel authorisation, the ETIAS National Unit shall justify its decision and shall record it in the application file.

*Article 26*

**Deadlines for notification to the applicant**

Within 72 84 96 hours from the lodging of an application which is admissible in accordance with Article 17, the applicant shall receive a notification indicating:

(a) whether his or her travel authorisation has been issued or refused, or

(b) if that additional information or documentation is requested and/or that the applicant is invited to an interview.
Article 27

Decision on the application

1. Applications shall be decided on no later than 72 hours after the lodging of an application which is admissible in accordance with Article 17.

2. Exceptionally, when a request for additional information or documentation is notified, or when the applicant is invited to an interview, the period laid down in paragraph 1 shall be extended and in accordance with Article 23. Such application shall in all cases be decided on no later than 72 hours after the submission of the additional information or documentation by the applicant or 48 hours after the interview.

3. Before expiry of the deadlines referred to in paragraphs 1 and 2 a decision shall be taken to:

(a) issue a travel authorisation in accordance with Article 30; or

(b) refuse a travel authorisation in accordance with Article 31.
CHAPTER V
The ETIAS screening rules and the ETIAS watchlist

Article 28
The ETIAS screening rules

1. The ETIAS screening rules shall be an algorithm enabling the comparison between the data recorded in an application file of the ETIAS Central System and specific risk indicators pointing to irregular migration, security or public health risks. The ETIAS screening rules shall be registered in the ETIAS Central System.

16. The Commission shall be empowered to adopt a delegated act in accordance with Article 78 to further identify specific risks relating to security, irregular illegal immigration, security or public health risks. The specific risks shall be determined on the basis of:

(a) [statistics generated by the EES indicating abnormal rates of overstayers and refusals of entry for a specific group of travellers;]

(b) statistics generated by the ETIAS in accordance with Article 73 indicating abnormal rates of refusals of travel authorisations due to an security, irregular illegal immigration, security or public health risk associated with a specific group of travellers;

(c) [statistics generated by the ETIAS in accordance with Article 73 and the EES indicating correlations between information collected through the application form and overstay or refusals of entry;]

(d) information provided by Member States concerning specific security risk indicators or threats identified by that Member State;

(e) information provided by Member States concerning abnormal rates of overstayers and refusals of entry for a specific group of travellers for that Member State;

(f) information concerning specific public health risks provided by Member States as well as epidemiological surveillance information and risk assessments provided by the European Centre for Disease Prevention and Control (ECDC).

The specific risks shall be reviewed at least every six months and, where necessary, a new delegated act shall be adopted by the Commission in accordance with Article 78.

16 Recital 50 will be amended as follows: "(...)
regularly identify specific risks relating to further specify the security, irregular illegal immigration or public health risks to be used for the establishment of the risk indicators in order to ensure adaptation in view of the continuous emergence of new risks and patterns."
3. The Commission shall be empowered to adopt delegated acts in accordance with Article 78 to further specify the irregular migration, security or public health risks referred to in paragraph 2.

4. Based on the risks determined in accordance with paragraph 2, the ETIAS Central Unit shall establish the specific risk indicators consisting of a combination of data including one or several of the following:

(a) age range, sex, current nationality;

(b) country and city of residence;

(c) education level;

(d) current occupation.

5. The specific risk indicators shall be targeted and proportionate. They shall in no circumstances be based on a person's sex, race, or ethnic origin, political opinions, religion or philosophical beliefs, trade union membership, sexual life, disability, age or sexual orientation.

6. The specific risk indicators shall be established, defined, modified, added and deleted by the ETIAS Central Unit after consultation of the ETIAS Screening Board.

7. The ETIAS screening rules shall be an algorithm enabling the comparison between the data recorded in an application file of the ETIAS Central System and specific risk indicators pointing to security, illegal immigration or public health risks in accordance with Article 18. The Central Unit shall register the ETIAS screening rules in the ETIAS Central System.
The ETIAS watchlist shall be hosted by Europol. The technical specifications shall be established by means of an implementing measure adopted in accordance with the examination procedure referred to in Article 79(2).

1. The ETIAS watchlist shall consist of data related to persons who have committed or are suspected of having committed or taken part in a serious criminal offence or persons regarding whom there are factual indications or reasonable grounds to believe that they will commit serious criminal offences.

2. The ETIAS watchlist shall contain information related to: be established on the basis of:
   (a) the United Nations list of war criminals
   (b) information related to terrorist offences or other serious criminal offences provided by Member States;
   (c) information related to terrorist offences or other serious criminal offences obtained by Europol through international cooperation.

2a. Europol shall enter into the watchlist the information referred to in paragraph 2(a) and (c) and shall be responsible for each data element it enters. The ETIAS watchlist shall indicate, for each data element, the date and time of storing.

2b. Member States shall enter into the watchlist the information referred to in paragraph 2(b) and shall be responsible for each data element they enter. The ETIAS watchlist shall indicate, for each data element, the date and time of storing and the Member State that entered it.

3. On the basis of the information referred to in paragraph 2 and relevant Europol data, Europol shall establish the ETIAS watchlist shall be composed of items consisting of one or more of the following data elements:
   (a) surname, and, if available, first name(s), surname at birth, date of birth, place of birth, country of birth, sex, nationality;
   (b) other names (alias(es), artistic name(s), usual name(s));
   (c) a travel document(s) (type, number and country of issuance of the travel document(s));
   (d) home address;
   (e) e-mail address:
   (ea) phone number;
   (f) the name, e-mail address, mailing address, phone number of a firm or organization;
   (g) IP address.
CHAPTER VI
Issuing, refusal, annulment or revocation of a travel authorisation

Article 30
Issuing of a travel authorisation

1. Where the examination of an application pursuant to the procedures laid down in Chapters III, IV and V indicates that there are no factual indications or reasonable grounds to conclude that the presence of the person on the territory of the Member States poses an security, irregular illegal immigration, security or public health risk, a travel authorisation shall be issued by the ETIAS Central System or the ETIAS National Unit of the responsible Member State.

1a. The ETIAS National Unit of the responsible Member State may attach a flag to the travel authorisation it issues, recommending further or specific checks at the border crossing point. Such flag may also be attached upon the request of a consulted Member State. This flag shall only be visible to the border guards and it shall indicate the reason for such flag. The flag may shall be removed automatically by the border guard once the border guard check has been carried out the check and has entered registered the corresponding entry/exit record in the EES. In case of refusal of entry, the flag shall remain attached to the travel authorisation.

2. A travel authorisation shall be valid for three five years or until the end of validity of the travel document registered during application, whichever comes first, and shall be valid for the territory of the Member States.

3. A travel authorisation shall not confer an automatic right of entry or stay.

Article 31
Refusal of a travel authorisation

1. A travel authorisation shall be refused if the applicant:

(a) presents used a lost, stolen or invalidated travel document which is reported as lost, stolen or invalidated;

(b) poses an irregular migration security risk;

(c) poses an illegal immigration security risk;

(d) poses a public health risk;

(e) is a person for whom an alert has been issued in the SIS for the purpose of refusing entry;

(f) fails to reply to a request for additional information or documentation within the deadlines referred to in Article 23.
A travel authorisation shall also be refused if there are reasonable doubts as to the authenticity of the data, the reliability of the statements made by the applicant, the supporting documents provided by the applicant or the veracity of their contents, with reference to the situation obtaining at the time of the application.

2. Applicants who have been refused a travel authorisation shall have the right to appeal. Appeals shall be conducted in the Member State that has taken the decision on the application and in accordance with the national law of that Member State. The ETIAS National Unit of the responsible Member State shall provide applicants with information regarding the procedure to be followed in the event of an appeal.

Article 32

Notification on the issuing or refusal of a travel authorisation

1. Where a travel authorisation has been issued, the applicant shall immediately receive a notification via the e-mail service, including:

(a) a clear indication that the travel authorisation has been issued and the travel authorisation application number;
(b) the commencement and expiry dates of the validity period of the travel authorisation;
(c) where applicable, a reminder of the calculation of the duration of authorised short stay (90 days in any 180-day period), and of the rights derived from an issued travel authorisation pursuant to Article 30(3), as well as a reminder of the entry conditions as set out in Article 6 of Regulation (EU) N°2016/399 and of the calculation of the duration of authorised short stay (90 days in any 180-day period); and
(d) a link to the ETIAS public website containing information on the possibility for the applicant to request the revocation of the travel authorisation and the possibility for the travel authorisation to be revoked if the conditions for issuing it are no longer met and to be annulled where it becomes evident that the conditions for issuing it were not met at the time it was issued.

2. Where a travel authorisation has been refused, the applicant shall immediately receive a notification via the e-mail service including:

(a) a clear indication that the travel authorisation has been refused and the travel authorisation application number;
(b) a reference to the ETIAS National Unit that refused the travel authorisation and its location;
(c) the ground(s) for refusal of the travel authorisation, as laid down in Article 31(1);
(d) information on the procedure to be followed for an appeal.
Article 33

Data to be added to the application file following the decision to issue or refuse a travel authorisation

1. Where a decision has been taken to issue or refuse a travel authorisation, the ETIAS Central System or, where the decision has been taken following manual processing as provided for in Chapter IV, relevant, the ETIAS National Units of the responsible Member State shall add the following data to the application file without delay:

(a) status information indicating that the travel authorisation has been issued or refused;

(b) a reference to the authority that issued or refused the travel authorisation and its location;

(c) place and date of the decision to issue or refuse the travel authorisation;

(d) the commencement and expiry dates of the validity period of the travel authorisation;

(e) the ground(s) for refusal of the travel authorisation as laid down in Article 31(1);

(f) any flag attached to the travel authorisation recommending a thorough second line check, as laid down in Article 30(1a).

2. Where a decision has been taken to refuse a travel authorisation, the ETIAS National Unit of the responsible Member State shall add the following data to the application file:

(a) status information indicating that the travel authorisation has been refused;

(b) a reference to the ETIAS National Unit that refused the travel authorisation and its location;

(c) place and date of the decision to refuse the travel authorisation;

(d) the ground(s) for refusal of the travel authorisation, by indicating the relevant ground from those listed as laid down in Article 31(1).

3. In addition to the data referred to in paragraphs 1 and 2, where a decision has been taken to issue or refuse a travel authorisation, the ETIAS National Unit of the responsible Member State shall also add the reasons for its final decision, unless that decision is a refusal based on a negative opinion from a consulted Member State.
**Article 34**

*Annulment of a travel authorisation*

1. A travel authorisation shall be annulled where it becomes evident that the conditions for issuing it were not met at the time it was issued. The travel authorisation shall be annulled on the basis of one or more of the grounds for refusal of the travel authorisation laid down in Article 31(1) and (1a).

2. Where a Member State is in possession of evidence that the conditions for issuing a travel authorisation were not met at the time it was issued, the ETIAS National Unit of that Member State shall annul the travel authorisation.

3. A person whose travel authorisation has been annulled shall have the right to appeal. Appeals shall be conducted in the Member State that has taken the decision on the annulment in accordance with the national law of that Member State.

**Article 35**

*Revocation of a travel authorisation*

1. A travel authorisation shall be revoked where it becomes evident that the conditions for issuing it are no longer met. The travel authorisation shall be revoked on the basis of one or more of the grounds for refusal of the travel authorisation laid down in Article 31(1).

2. Where a Member State is in possession of evidence that the conditions for issuing the travel authorisation are no longer met, the ETIAS National Unit of that Member State shall revoke the travel authorisation.

3. Without prejudice to paragraph 2, where a new refusal of entry alert or a travel document as lost, stolen or invalidated is reported in the SIS, the SIS shall inform the ETIAS Central System. The ETIAS Central System shall verify whether this new alert corresponds to a valid travel authorisation. Where this is the case, the ETIAS Central System shall transfer the application file to the ETIAS National Unit of the Member State having created the alert which shall revoke the travel authorisation.

4. New elements introduced by Europol in the ETIAS watchlist shall be compared to the data of the application files in the ETIAS Central System. The ETIAS Central System shall verify whether that new element corresponds to a valid travel authorisation. Where this is the case, the ETIAS Central System shall transfer the application file to the ETIAS National Unit of the Member State having entered the new element, or where Europol entered the new element, to the comparison results in a hit, the ETIAS National Unit of the Member State of first intended stay or, in the case of transit, Member State of first intended transit entry as declared by the applicant in accordance with Article 15(2)(j). That ETIAS National Unit shall assess the security risk and, if it concludes that the conditions for granting it are no longer met, it shall revoke the travel authorisation.
4a. Where a refusal of entry record concerning the holder of a valid travel authorisation justified by reasons B, G or I listed in Annex V, Part B of Regulation (EU) 2016/399 is entered in the EES, the ETIAS Central System shall transfer the application file to the ETIAS National Unit of the Member State having refused entry with a view to reassessing the security and illegal immigration risks. That ETIAS National Unit shall assess whether the conditions for granting the travel authorisation are still met, and if not, shall revoke the travel authorisation.

5. An applicant whose travel authorisation has been revoked shall have the right to appeal. Appeals shall be conducted in the Member State that has taken the decision on the revocation and in accordance with the national law of that Member State.

6. A travel authorisation may be revoked at the request of the applicant. No appeal shall be possible against such revocation of a travel authorisation at the request of the applicant.

Article 36
Notification on the annulment or revocation of a travel authorisation

Where a travel authorisation has been annulled or revoked, the applicant shall immediately receive a notification via the e-mail service including:

(a) a clear indication that the travel authorisation has been annulled or revoked and the travel authorisation application number;

(b) a reference to the authority ETIAS National Unit that annulled or revoked the travel authorisation and its location;

(c) the ground(s) for the annulment or revocation of the travel authorisation, by indicating the relevant ground from those listed as laid down in Article 31(1);

(d) information on the procedure to be followed for an appeal.

Article 37
Data to be added to the application file following the annulment or revocation of a travel authorisation

1. Where a decision has been taken to annul or to revoke a travel authorisation, the ETIAS National Unit that annulled or revoked the Member State responsible for the revocation or annulment of the travel authorisation shall add the following data to the application file without delay:

(a) status information indicating that the travel authorisation has been annulled or revoked;

(b) a reference to the ETIAS National Unit authority that revoked or annulled the travel authorisation and its location;

(c) place and date of the decision to annul or revoke the travel authorisation.
2. The ETIAS National Unit that annulled or revoked the travel authorisation shall also indicate in the application file the relevant ground(s) for annulment or revocation as laid down from those listed in Article 31(1) or that the travel authorisation was revoked at the request of the applicant as referred to in Article 35(6).

Article 38
Issuing of a travel authorisation with limited territorial validity on humanitarian grounds, for reasons of national interest or because of international obligations

1. Where an application has been deemed admissible in accordance with Article 17, the Member State to which the third country national intends to travel may exceptionally issue a travel authorisation with limited territorial validity when that Member State concerned considers it necessary on humanitarian grounds in accordance with national law, for reasons of national interest or because of international obligations, notwithstanding the fact that, following an application having been deemed admissible in accordance with Article 17:

(a) the manual assessment process pursuant to Article 22 is not yet completed or
(b) a travel authorisation has been refused, annulled or revoked.

Where a travel authorisation with limited territorial validity has been issued in the circumstances referred to in point (a) of this paragraph, this shall not interrupt the manual assessment process on the application, for the purposes of a travel authorisation which does not have limited territorial validity.

2. For the purposes of paragraph 1, the applicant may contact the ETIAS Central Unit indicating his or her application number, the Member State to which he or she intends to travel and that the purpose of his or her travel is based on apply for a travel authorisation with limited territorial validity to the Member State to which he or she intends to travel. He or she shall indicate the humanitarian grounds or is linked to, the reasons of national interest or the international obligations, using a contact form as referred to in Article 14 in his or her application. Where such contact form is received, the ETIAS Central Unit shall inform the ETIAS National Unit of the Member State to which the third country national intends to travel and shall record the information from the contact form in the application file.

3. The Member State to which the third country national intends to travel may be the Member State responsible for deciding whether to issue or refuse a travel authorisation with limited territorial validity.

---

17 A recital could be included to clarify that international obligations cover the case of a person summoned to appear before a court.
3a. The ETIAS National Unit of the Member State to which the third country national intends to travel may request additional information or documentation from the applicant and may set the deadline within which such additional information or documentation is to be submitted. This request shall be notified through the email service referred to in Article 6(2)(f), to the contact email address recorded in the application file, and shall indicate the languages in which the information or documentation may be submitted. That list shall include at least English or French or German unless it includes an official language of the third country of which the applicant has declared to be a national. The applicant shall provide the additional information or documentation directly to the ETIAS National Unit through the secure account service referred to in Article 6(2)(g). Upon submission of the additional information or documentation, the ETIAS Central System shall record and store that information or documentation in the application file.

4. A travel authorisation with limited territorial validity shall be valid only for the territory of the issuing Member State and for a maximum of 90 days from the date of first entry on the basis of that authorisation on which the authorisation was issued. It may be exceptionally valid for the territory of more than one Member State, subject to the consent of each such Member State through their ETIAS National Units.

5. Where a travel authorisation with limited territorial validity is issued, the following data shall be entered in the application file by the ETIAS National Unit which issued that authorisation:

(a) status information indicating that the travel authorisation with limited territorial validity has been issued or refused;

(b) the territory in which the travel authorisation holder is entitled to travel and the duration of that travel authorisation;

(c) the ETIAS National Unit authority of the Member State that issued the travel authorisation with limited territorial validity;

(d) a reference to the humanitarian grounds, the reasons of national interest or the international obligations.

Where an ETIAS National Unit issues a travel authorisation with limited territorial validity with no information or documentation having been submitted by the applicant, that ETIAS National Unit shall record and store appropriate information or documentation in the application file justifying that decision.
6. Where a travel authorisation with limited territorial validity has been issued, the applicant shall immediately receive a notification via the e-mail service, including:

(a) a clear indication that a travel authorisation with limited territorial validity has been issued and the travel authorisation application number;

(b) the commencement and expiry dates of the validity period of the travel authorisation with limited territorial validity;

(c) a clear indication of the territory on which the holder of that authorisation is entitled to travel and that he or she can only travel within that territory; and

(d) the rights derived from an issued travel authorisation pursuant to Article 30(3), as well as a reminder of the entry conditions as set out in Article 6 of Regulation (EU) N°2016/399 and of the calculation of the duration of authorised short stay (90 days in any 180-day period).
Chapter VII
Use of ETIAS by carriers

Article 39
Access to data for verification by carriers

1. In accordance with Article 26 of the Convention Implementing the Schengen Agreement, air carriers, sea carriers and international carriers transporting groups overland by coach shall send a query to consult the ETIAS Central System in order to verify whether or not third country nationals subject to the travel authorisation requirement are in possession of a valid travel authorisation.

2. Secure internet access to the carrier gateway, including the possibility to use mobile technical solutions, referred to in Article 6(2)(h) shall allow carriers to proceed with the query consultation referred to in paragraph 1 prior to the boarding of a passenger. For this purpose, the carrier shall send the query to be permitted to consult the ETIAS Central System using the data contained in the machine readable zone of the travel document.

The ETIAS Central System shall respond by indicating whether or not the person has a valid travel authorisation, providing the carriers with an OK/NOT OK answer. In case a travel authorisation has been issued with limited territorial validity in accordance with Article 38, the ETIAS Central System shall respond by indicating that the person has a valid travel authorisation and the Member State(s) for which that authorisation is valid, providing the carriers with an OK answer and an indication of the Member State(s) concerned. Carriers may store the information sent and the answer received in accordance with the applicable law.

3. An authentication scheme, reserved exclusively for carriers, shall be set up in order to allow access to the carrier gateway for the purposes of paragraph 2 to the duly authorised members of the carriers' staff. The authentication scheme shall be adopted by the Commission by means of implementing acts in accordance with the examination procedure referred to in Article 79(2).

4. The carriers referred to in paragraph 1 shall be subject to the penalties provided for in accordance with Article 26(2) of the Convention Implementing the Schengen Agreement and Article 4 of Council Directive 2001/51/EC when they transport third country nationals who, although subject to the travel authorisation requirement, are not in possession of a valid travel authorisation.

A recital would be added as follows:  "In establishing the technical specifications for accessing the carrier gateway, the impact on passenger travel and carriers should be limited to the extent possible. For this purpose, the relevant integration with the Entry/Exit System should be considered."
5. If third country nationals are refused entry, any carrier which brought them to the external borders by air, sea and land shall be obliged to immediately assume responsibility for them again. At the request of the authorities competent to carry out the border checks, the carriers shall be obliged to return the third country nationals to the third country from which they were transported or to the third country which issued the travel document on which they travelled or to any other third country to which they are certain to be admitted.

Article 40
Fall-back procedures in case of technical impossibility to access data by carriers

1. Where it is technically impossible to proceed with the consultation query referred to in Article 39(1), because of a failure of any part of the ETIAS Information System or for other reasons related to its technical architecture that can be detected by eu-LISA beyond the carriers' control, the carriers shall be exempted of the obligation to verify the possession of a valid travel authorisation. Where such failure is detected by eu-LISA in such cases of a failure of the ETIAS Information System, the ETIAS Central Unit shall notify the carriers. It shall also notify the carriers when the failure is remedied. Where such failure is detected by the carriers, they may notify the ETIAS Central Unit.

1a. Penalties referred to in Article 39(4) 26(2) of the Convention Implementing the Schengen Acquis shall not be imposed on carriers in the cases referred to in this paragraph 1.

2. The details of the fall-back procedures shall be laid down in an implementing act adopted in accordance with the examination procedure referred to in Article 79(2).
CHAPTER VIII
Use of ETIAS by border authorities at the external borders

Article 41
Access to data for verification at the external borders

1. For the sole purpose of verifying whether the person has a valid travel authorisation, the border guards authorities competent for carrying out border checks at external border crossing points in accordance with Regulation (EU) 2016/399 shall be permitted to consult the ETIAS Central System using the data contained in the machine readable zone of the travel document.

2. The ETIAS Central System shall respond by indicating

(a) whether or not the person has a valid travel authorisation, and in the case of a travel authorisation with limited territorial validity as referred to in Article 38, the Member State(s) for which it is valid;

(b) any flag referred to in Article 30(1a) attached to that application file;

(c) whether the travel authorisation will expire within the next 90 days and the remaining validity period;

(d) the data referred to in Article 15(2)(k) and (l);

(e) at the first entry, the address for the first intended stay.

3. Where additional verifications are needed for the purpose of a thorough second line check in accordance with Article 2(13) of Regulation (EU) No 2016/399, border guards shall be given access to the data referred to in Article 15(2)(a) to (g) and (i) to (m), and in Article 15(4)(b) to (d) as recorded in that application file as well as to data entered in that application file in respect of the issuing, refusal, revocation or annulment of a travel authorisation in accordance with Articles 33 and 37.
Article 42
Fall-back procedures in case of technical impossibility to access data at the external borders or failure of the ETIAS

1. Where it is technically impossible to proceed with the consultation referred to in Article 41(1), because of a failure of the ETIAS Information System, the National Units of the Member States' authorities competent for carrying out checks at external border crossing points shall be notified by the ETIAS Central Unit and shall ensure that their border guards competent for carrying out border checks are informed.

2. Where it is technically impossible to perform the search referred to in Article 41(1) because of a failure of the national border infrastructure in a Member State, that Member State's National Unit competent authority shall notify eu-LISA, the ETIAS Central Unit. The ETIAS Central Unit shall then immediately inform eu-LISA and the Commission.

3. In both scenarios, the Member State's competent authorities for carrying out checks at external border crossing points shall follow their national contingency plans.

3a. Model contingency plans for cases referred to in paragraphs 1 and 2 shall be adopted by the Commission by means of implementing acts in accordance with the examination procedure referred to in Article 79(2). Member States may draw up their national contingency plans on the basis of the model contingency plans, adapted as necessary at the national level.
Chapter VIIIa
Use of ETIAS by immigration authorities

Article 42a\(^{19}\)
Access to data by immigration authorities

1. For the purpose of checking or verifying if the conditions for entry or stay on the territory of the Member States are fulfilled and for the purpose of taking appropriate measures relating thereto, the immigration authorities of the Member States shall have access to search the ETIAS Central System using the data contained in the machine readable zone of the travel document\(^{20}\).

2. The ETIAS Central System shall respond by indicating whether or not the person has a valid travel authorisation, and in the case of a travel authorisation with limited territorial validity as referred to in Article 38, the Member State(s) for which the authorisation is valid. The ETIAS Central System shall also indicate whether the travel authorisation will expire within the next 90 days and the remaining validity period. The Immigration Authorities shall also have access to the information referred to in Article 15(2)(f) and (g) and the relevant additional documentation or information. This shall not include information on whether or not the applicant may pose a public health risk as referred to in Article 15(4)(a) submitted pursuant to Article 23.

In the case of minors, the immigration authorities shall also have access to the information relating to the traveller’s parental authority or legal guardian referred to in Article 15(2)(k).

\(^{19}\) A recital would be added as follows: "Since the possession of a valid travel authorisation is a condition of entry and stay for certain categories of third country nationals, the immigration authorities of the Member States should be able to consult the ETIAS Central System."

\(^{20}\) A recital would be added as follows: "Immigration authorities of the Member States should have access to certain information stored in the ETIAS Central System, in particular for the purpose of returns. They should search the ETIAS Central System using the information which is contained in the machine readable zone of a travel document without necessarily using specific equipment for that purpose."
CHAPTER IX
Procedure and conditions for access to the ETIAS Central System for by designated authorities in order to prevent, detect and investigate terrorist offences or other serious criminal offences law enforcement purposes

Article 43
Member States' designated law enforcement authorities

1. Member States shall designate the law enforcement authorities which are entitled to request consultation of data recorded in the ETIAS Central System in order to prevent, detect and investigate terrorist offences or other serious criminal offences.

2. At national level, each Member State shall keep a list of the operational operating units within the designated authorities that are authorised to request a consultation of data stored in the ETIAS Central System through the central access point(s).

3. Each Member State shall designate a central access point which shall have access to the ETIAS Central System. The central access point shall ensure that the conditions to request access to the ETIAS Central System laid down in Article 45 are fulfilled.

The designated authority and the central access point may be part of the same organisation if permitted under national law. The central access point shall act independently of the designated authorities when performing its tasks under this Regulation. The central access point shall be separate from the designated authorities and shall not receive instructions from them as regards the outcome of the verification.

Member States may designate more than one central access point to reflect their organisational and administrative structure in the fulfilment of their constitutional or legal requirements.

4. Each Member State shall notify eu-LISA, the ETIAS Central Unit and the Commission of its designated authorities and central access point and may at any time amend or replace its notification.

5. Only duly empowered staff of the central access point(s) shall be authorised to access the ETIAS Central System in accordance with Articles 44 and 45.
Article 44

Procedure for access to the ETIAS Central System in order to prevent, detect and investigate terrorist offences or other serious criminal offences for law enforcement purposes

1. The competent authorities operational operating units referred to in article 43(2) shall submit a reasoned electronic request for consultation of a specific set of data stored in the ETIAS Central System to the central access points referred to in Article 43(3) and (4)(e).
Where consultation of data referred to in Article 15(2)(i) and (4)(b) to (d) is sought, the reasoned electronic request shall include a justification of the necessity to consult those specific data.

2. Each Member State shall ensure prior to accessing the ETIAS Central System, the central access point shall verify that according to its national law and procedural law a request for consultation undergoes an independent, efficient and timely verification whether the conditions referred to in Article 45 are fulfilled, including whether any request for consultation of data referred to in Article 15(2)(i) and (4)(b) to (d) is justified.

3. If the conditions referred to in Article 45 are fulfilled, the central access point shall process the requests. The data stored in the ETIAS Central System accessed by the central access point shall be transmitted to the operational operating units referred to in Article 43(2) in such a way as to not compromise the security of the data.

4. In an exceptional case of urgency, where there is a need to immediately obtain personal data necessary for preventing a terrorist offence or an imminent danger associated with another the commission of a serious crime criminal offence or for prosecuting its perpetrators, the central access point shall process the request immediately and without the independent verification provided in paragraph 2. An ex post independent verification shall take place without undue delay after the processing of the request, including whether an exceptional case of urgency actually existed.

5. Where an ex post independent verification determines that the consultation of and access to the data recorded in the ETIAS Central System were not justified, all the authorities that accessed and/or consulted such data shall erase the data originating from the ETIAS Central System and shall inform the central access point of the erasure.
Article 45
Conditions for access to data recorded in the ETIAS Central System by designated authorities of Member States

1. Designated authorities may request consultation of data stored in the ETIAS Central System if all the following conditions are met:

(a) the consultation is necessary for the purpose of the prevention, detection or investigation of a terrorist offence or another serious criminal offence;

(b) access for consultation is necessary in a specific case;

(c) reasonable grounds exist to consider that the consultation of data stored in the ETIAS Central System may substantially contribute to the prevention, detection or investigation of any of the criminal offences in question, in particular where there is a substantiated suspicion that the suspect, perpetrator or victim of a terrorist offence or other serious criminal offence falls under the category of third country nationals covered by this Regulation;

(d) prior consultation of all relevant national databases and the Europol data did not lead to the requested information.

2. Consultation of the ETIAS Central System shall be limited to searching with the following data recorded in the application file:

(a) surname (family name) and, if available, first name(s) (given names);

(b) other names (alias(es), artistic name(s), usual name(s));

(c) number of the travel document;

(d) home address;

(e) e-mail address;

(ee) or phone number;

(f) IP address.

3. Consultation of the ETIAS Central System with the data listed under paragraph 2 may be combined with the following data in the application file to narrow down the search:

(a) nationality or nationalities;

(b) sex;

(c) date of birth or age range.
4. Consultation of the ETIAS Central System shall, in the event of a hit with data recorded in an application file, give access to the data referred to in Article 15(2)(a) to (g) and (j) to (m) as recorded in that application file as well as to data entered in that application file in respect of the issuing, refusal, revocation or annulment of a travel authorisation in accordance with Articles 33 and 37. Access to the data referred to in Article 15(2)(i) and in (4) (b) to (d) as recorded in the application file shall only be given if consultation of that data was explicitly requested by the operational units in the reasoned electronic request submitted under Article 44(1) and approved by the independent verification. Consultation of the ETIAS Central System shall not give access to data concerning the education as referred to in Article 15(2)(h) or on whether or not the applicant may pose a public health risk as referred to in Article 15(4)(a).

**Article 46**

*Procedure and conditions for access to data recorded in the ETIAS Central System by Europol*

1. For the purposes of Article 1(2), Europol may request consultation of data stored in the ETIAS Central System and submit a reasoned electronic request for consultation of a specific set of data stored in the ETIAS Central System to the ETIAS Central Unit. Where consultation of data referred to in Article 15(2)(i) and (4) (b) to (d) is sought, the reasoned electronic request shall include a justification of the necessity to consult those specific data.

2. The reasoned request shall contain evidence that the following conditions are met:

   (a) the consultation is necessary to support and strengthen action by Member States in preventing, detecting or investigating terrorist offences or other serious criminal offences falling under Europol’s mandate;

   (b) the consultation is necessary in a specific case;

   (c) the consultation shall be limited to searching with data referred to in Article 45(2);

   (d) reasonable grounds exist to consider that the consultation may substantially contribute to the prevention, detection or investigation of any of the criminal offences in question;

   (e) prior consultation of the database at Europol did not lead to the requested information.

3. Europol requests for consultation of data stored in the ETIAS Central System shall be subject to prior verification by the EDPS, where appropriate in accordance with the procedure of Article 44 of Regulation (EU) 2016/794, which shall examine in an efficient and timely manner whether the request fulfils all conditions of paragraph 2.
4. Consultation of the ETIAS Central System shall, in the event of a hit with data stored in an application file, give access to the data referred to in Article 15(2)(a) to (g) and (j) to (m) as well as to the data entered in the application file in respect to the issuing, refusal, revocation or annulment of a travel authorisation in accordance with Articles 33 and 37. Access to the data referred to in Article 15(2)(i) and in (4)(b) to (d) as stored in the application file shall only be given if consultation of that data was explicitly requested by Europol. Consultation of the ETIAS Central System shall not give access to data concerning the education as referred to in Article 15(2)(h) or on whether or not the applicant may pose a public health risk as referred to in Article 15(4)(a).

5. Where the EDPS has approved the request, the ETIAS Central Unit shall process the request for consultation of data stored in the ETIAS Central System and shall transmit the data accessed to Europol in such a way as to not compromise the security of the data.
CHAPTER X
Retention and amendment of the data

Article 47
Data retention

1. Each application file shall be stored in the ETIAS Central System for [five years from the last entry/exit record of the applicant stored in the EES; or.

(a) Where the travel authorisation is not used, the application file shall be stored for the period of validity of the travel authorisation.

(b)

(c) Where the travel authorisation has been refused, revoked or annulled, the application file shall be stored for five years from the last decision to refuse, revoke or annul the travel authorisation in accordance with Articles 31, 34 and 35.

2. Upon expiry of its retention period the application file shall automatically be erased from the ETIAS Central System.

Article 48
Amendment of data and advance data deletion

1. The ETIAS Central Unit and the ETIAS National Units shall have the obligation to update the data stored in the ETIAS Central System and ensure that it is correct. The ETIAS Central Unit and the ETIAS National Units shall not have the right to modify data entered in the application form directly by the applicant pursuant to Article 15(2), (3) or (4).

2. Where the ETIAS Central Unit has evidence that data recorded in the ETIAS Central System by the ETIAS Central system are factually inaccurate or that data were processed in the ETIAS Central System in contravention of this Regulation, it shall check the data concerned and, if necessary, amend or erase them without delay from the ETIAS Central System.

3. Where the responsible Member State has evidence that data recorded in the ETIAS Central System are factually inaccurate or that data were processed in the ETIAS Central System in contravention of this Regulation, its ETIAS National Unit shall check the data concerned and, if necessary, amend or erase them without delay from the ETIAS Central System.

4. If a Member State different from the responsible Member State has evidence to suggest that data stored in the ETIAS Central System are factually inaccurate or that data were processed in the ETIAS Central System in contravention of this Regulation, it shall contact the ETIAS Central Unit or the ETIAS National Unit of the responsible Member State within a time limit of 14 days. The ETIAS Central Unit or the competent ETIAS National Unit shall check the accuracy of the data and the lawfulness of its processing within a time limit of one month and, if necessary, amend or erase the data from the ETIAS Central System without delay.
5. Where a third country national has acquired the nationality of a Member State or has fallen under the scope of Article 2(2)(a) to (e), the authorities of that Member State shall verify whether that person has a valid travel authorisation and, where relevant, shall delete the application file without delay from the ETIAS Central System. The authority responsible for deleting the application file shall be the:

(a) the ETIAS National Unit of the Member State that issued the travel document as referred to in Article 2(2)(a);

(b) the ETIAS National Unit of the Member State the nationality of which he or she has acquired;

(c) the ETIAS National Unit of the Member State that issued the residence permit or card;

(d) the ETIAS National Unit of the Member State that issued the long-stay visa.

5a. Where a third country national has fallen under the scope of Article 2(2)(d) or (e), he or she may inform the competent authorities of the Member State that issued that long-stay visa or residence permit that he or she has a valid travel authorisation and may request the deletion of the application file from the ETIAS Central System. The authorities of that Member State shall verify whether that person has a valid travel authorisation and, where relevant, if confirmed, the ETIAS National Unit of the Member State that issued the residence permit of long stay visa shall delete the application file without delay from the ETIAS Central System.

6. Where a third country national has fallen under the scope of Article 2(2)(f) to (h), he or she shall may inform the competent authorities of the Member State he or she next enters of this change. That Member State shall contact the ETIAS Central Unit within a time limit of 14 days. The ETIAS Central Unit shall check the accuracy of the data within a time limit of one month and, if necessary erase the application file and the data contained within from the ETIAS Central System without delay. The individual shall have access to an effective judicial remedy to ensure the data is deleted.
CHAPTER XI
Data protection

Article 49
Data Protection

1. Regulation (EC) No 45/2001 shall apply to the processing of personal data by the European Border and Coast Guard Agency and eu-LISA.

2. [Regulation 2016/679] shall apply to the processing of personal data by the ETIAS National Units, the border guards competent for carrying out border checks and the immigration authorities.

3. [Directive (EU) 2016/680] shall apply to the processing of personal data by Member States designated authorities for the purposes of Article 1(2).

4. Regulation (EU) 2016/794 shall apply to the processing of personal data by Europol pursuant to Articles 25, 24 and 46.

Article 50
Data controller

1. The European Border and Coast Guard Agency is to be considered a data controller in accordance with Article 2(e) of Regulation (EC) No 45/2001 in relation to the processing of personal data in the ETIAS Central System.

2. In relation to the processing of personal data in the ETIAS Central System by a Member State, the ETIAS National Unit is to be considered as controller in accordance with Article 4(7) of [Regulation (EU) 2016/679] which and shall have central responsibility for the processing of personal data in the ETIAS Central System by this Member State.

Article 51
Data processor

1. eu-LISA is to be considered a data processor in accordance with Article 2(d) of Regulation (EC) No 45/2001 in relation to the processing of personal data in the ETIAS Information System.

2. eu-LISA shall ensure that the ETIAS Information System is operated in accordance with this Regulation.
Article 52
Security of processing

1. Both eu-LISA, the ETIAS Central Unit and the ETIAS National Units shall ensure the security of processing of personal data takes place pursuant to the application of this Regulation. eu-LISA, the ETIAS Central Unit and the ETIAS National Units shall cooperate on data security related tasks.

2. Without prejudice to Article 22 of Regulation (EC) No 45/2001, eu-LISA shall take the necessary measures to ensure the security of the Central System, the Communication Infrastructure between the Central System and the National Uniform Interface, the public website and mobile app, the email service, the secure account service, the carrier gateway, the web service and the software enabling to process the applications;

3. Without prejudice to Article 22 of Regulation (EC) No 45/2001 and Articles 32 and 34 of [Regulation (EU) 2016/679], both eu-LISA, the ETIAS Central Unit and the ETIAS National Units shall adopt the necessary measures, including a security plan and a business continuity and disaster recovery plan, in order to:

   (a) physically protect data, including by making contingency plans for the protection of critical infrastructure;

   (b) deny unauthorised persons access to the secure website that carries out operations in accordance with the purposes of the ETIAS;

   (c) prevent the unauthorised reading, copying, modification or removal of data media;

   (d) prevent the unauthorised input of data and the unauthorised inspection, modification or deletion of recorded personal data;

   (e) prevent the unauthorised processing of data in the ETIAS Central System and any unauthorised modification or deletion of data processed in the ETIAS Central System;

   (f) ensure that persons authorised to access the ETIAS Information System have access only to the data covered by their access authorisation, by means of individual user identities and confidential access modes only;

   (g) ensure that all authorities with a right of access to the ETIAS Information System create profiles describing the functions and responsibilities of persons who are authorised to access the data and make their profiles available to the supervisory authorities;

   (h) ensure that it is possible to verify and establish to which bodies personal data may be transmitted using data communication equipment;
(i) ensure that it is possible to verify and establish what data has been processed in the ETIAS Information System, when, by whom and for what purpose;

(j) prevent the unauthorised reading, copying, modification or deletion of personal data during the transmission of personal data to or from the ETIAS Central System or during the transport of data media, in particular by means of appropriate encryption techniques;

(k) monitor the effectiveness of the security measures referred to in this paragraph and take the necessary organisational measures related to internal monitoring to ensure compliance with this Regulation.

3a. A model security plan and a model business continuity and disaster recovery plan shall be adopted by the Commission by means of implementing acts in accordance with the examination procedure referred to in Article 79(2). eu-LISA, the ETIAS Central Unit and the ETIAS National Units shall adopt their business continuity and disaster recovery national plans as referred to in paragraph 3 on the basis of these model plans, adjusted as necessary by eu-LISA, the ETIAS Central Unit and the ETIAS National Units.

4. eu-LISA shall inform the European Parliament, the Council and the Commission as well as the European Data Protection Supervisor of the measures it takes pursuant to this Article.

Article 53
Self-monitoring

The European Border and Coast Guard Agency, Europol and Member States shall ensure that each authority entitled to access the ETIAS Information System takes the measures necessary to comply with this Regulation and cooperates, where necessary, with the supervisory authority.

Article 54
Right of information, access, correction and erasure

1. Without prejudice to the right of information in Articles 11 and 12 of Regulation (EC) 45/2001, applicants whose data are stored in the ETIAS Central System shall be informed, at the time their data are collected, on the procedures for exercising the rights under Articles 13, 14, 15 and 16 of Regulation (EC) 45/2001 and on the contact details of the data protection officer of the European Border and Coast Guard Agency, of the European Data Protection Supervisor and of the national supervisory authority of the responsible Member State.

2. In order to exercise their rights under Articles 13, 14, 15 and 16 of Regulation (EC) 45/2001 and Article 15, 16, 17 and 18 of [Regulation (EU) 2016/679] any applicant shall have the right to address him or herself to the ETIAS Central Unit or to the ETIAS National Unit responsible for the application, who shall examine and reply to the request as soon as possible.
Where following an examination it is found that the data stored in the ETIAS Central System are factually inaccurate or have been recorded unlawfully, the ETIAS Central Unit or the ETIAS National Unit of the responsible Member State for the application shall correct or delete these data in the ETIAS Central System.

Where a travel authorisation is amended by the ETIAS Central Unit or an ETIAS National Unit during its validity period, the ETIAS Central System shall carry out the automated processing laid down in Article 18 to determine whether the amended application file triggers a hit pursuant to Article 18(2) to (5). Where the automated processing does not report any hit, the ETIAS Central System shall issue an amended travel authorisation with the same validity of the original and notify the applicant. Where the automated processing reports one or several hit(s), the ETIAS National Unit of the Member State responsible of first entry as declared by the applicant in accordance with Article 15(2)(j) shall assess the security, irregular illegal immigration, security or public health risk and shall decide whether to issue an amended travel authorisation or, where it concludes that the conditions for granting the travel authorisation are no longer met, revoke the travel authorisation.

3. Where the ETIAS Central Unit or the ETIAS National Unit of the Member State responsible for the application does not agree that data stored in the ETIAS Central System are factually inaccurate or have been recorded unlawfully, the ETIAS Central Unit or the ETIAS National Unit of the Member State responsible for the application shall adopt an administrative decision explaining in writing to the person concerned without delay why it is not prepared to correct or delete data relating to him.

4. This decision shall also provide the person concerned with information explaining the possibility to challenge the decision taken in respect of the request referred to in paragraph 2 and where relevant, information on how to bring an action or a complaint before the competent authorities or courts and any assistance, including from the competent national supervisory authorities.

5. Any request made pursuant to paragraph 2 shall contain the necessary information to identify the person concerned. That information shall be used exclusively to enable the exercise of the rights referred to in paragraph 2 and shall be erased immediately afterwards.

6. The ETIAS Central Unit or the ETIAS National Unit of the Member State responsible for the application shall keep a record in the form of a written document that a request referred to in paragraph 2 was made and how it was addressed and shall make that document available to competent data protection national supervisory authorities without delay, upon request.
Article 55
Communication of personal data to third countries, international organisations and private parties

1. Personal data stored in the ETIAS Central System shall not be transferred or made available to a third country, to an international organisation or any private party with the exception of transfers to Interpol for the purpose of carrying out the automated processing referred to in Article 18(2)(b) and (m). Transfers of personal data to Interpol are subject to the provisions of Article 9 of Regulation 45/2001.

2. Personal data accessed from the ETIAS Central System by a Member State or by Europol for the purposes referred to in Article 1(2) shall not be transferred or made available to any third country, international organisation or private entity established in or outside the Union. The prohibition shall also apply if those data are further processed at national level or between Member States, except insofar as necessary for the purpose of fair trial.

2a. By way of derogation from paragraph 1, the data accessed from the ETIAS Central System by the immigration authorities pursuant to Article 42a(2) may be transferred to a third country in individual cases, if necessary to prove the identity of third country nationals for the purpose of return, only where the following conditions are satisfied:

(a) the Commission has adopted a decision on the adequate protection of personal data in that third country in accordance with Article 45(3) of [Regulation 2016/679] 25(6) of Directive 95/46/EC, or a readmission agreement or any other type of similar arrangement is in force between the European Union or a Member State and that third country, or Article 26(1)(d) of Directive 95/46/EC applies;

(b) the Member State shall inform the third country of the obligation to use the data only for purposes for which it was provided;

(c) the data is transferred or made available in accordance with the relevant provisions of Union law, in particular readmission agreements and transfer of personal data, and the national law of the Member State which transferred or made the data available, including the legal provisions relevant to data security and data protection.

3. Transfers of personal data to third countries pursuant to paragraph 2a shall not prejudice the rights of applicants for and beneficiaries of international protection, in particular as regards non-refoulement.

4. By way of derogation from paragraph 2, the data from the ETIAS Central System accessed by the designated authorities for the purposes referred to in Article 1(2) may be transferred or made available by the designated authority to a third country upon a duly motivated request, only if the following cumulative conditions are met:

(a) in an exceptional case of urgency, where there is an immediate and serious threat of a terrorist offence or other serious criminal offences as defined respectively under Article 3(1)(m) and (n) of this Regulation,

(b) the transfer is carried out in accordance with the applicable conditions set under Directive (EU) N0 2016/680.
(c) the reciprocal provision of any information held by the requesting third country, in the framework of systems for travel authorisation, to the Member States is ensured.

Where a transfer is based on this paragraph, such a transfer shall be documented and the documentation shall be made available to the supervisory authority on request, including the date and time of the transfer, information about the receiving competent authority, the justification for the transfer and the personal data transferred.

**Article 56**

*Supervision by the national supervisory authority*

1. The supervisory authority or authorities designated pursuant to Article 51 of [Regulation 2016/679] shall ensure that an audit of the data processing operations by the ETIAS National Units is carried out in accordance with relevant international auditing standards at least every four years.

2. Member States shall ensure that their supervisory authority has sufficient resources to fulfil the tasks entrusted to it under this Regulation.

3. Each Member State shall supply any information requested by the supervisory authorities and shall, in particular, provide them with information on the activities carried out in accordance with their responsibilities as laid down in this Regulation. Each Member State shall grant the supervisory authorities access to their records and allow them access at all times to all their ETIAS related premises.

**Article 57**

*Supervision by the European Data Protection Supervisor*

The European Data Protection Supervisor shall ensure that an audit of eu-LISA's and the ETIAS Central Unit personal data processing activities is carried out in accordance with relevant international auditing standards at least every four years. A report of that audit shall be sent to the European Parliament, the Council, eu-LISA, the Commission and the Member States. eu-LISA and the European Border and Coast Guard Agency shall be given an opportunity to make comments before their reports are adopted.
Article 58
Cooperation between national supervisory authorities and the European Data Protection Supervisor

1. The European Data Protection Supervisor shall act in close cooperation with national supervisory authorities with respect to specific issues requiring national involvement, in particular if the European Data Protection Supervisor or a national supervisory authority finds major discrepancies between practices of Member States or finds potentially unlawful transfers using the communication channels of the ETIAS, or in the context of questions raised by one or more national supervisory authorities on the implementation and interpretation of this Regulation.

2. In cases referred to under paragraph 1, the European Data Protection Supervisor and the national supervisory authorities competent for data protection supervision may, each acting within the scope of their respective competences, exchange relevant information, assist each other in carrying out audits and inspections, examine difficulties over the interpretation or application of this Regulation, study problems related to the exercise of independent supervision or the exercise of the rights of the data subject, draw up harmonised proposals for joint solutions to any problems and promote awareness of data protection rights, as necessary.

3. The supervisory authorities and the European Data Protection Supervisor shall meet for that purpose at least twice a year as part of the Board established by [Regulation (EU) 2016/679]. The costs of these meetings shall be borne by the Board established by [Regulation (EU) 2016/679]. Rules of procedure shall be adopted at the first meeting. Further working methods shall be developed jointly as necessary.

4. A joint report of activities shall be sent to the European Parliament, the Council, the Commission, the European Border and Coast Guard Agency and eu-LISA every two years. That report shall include a chapter of each Member State prepared by the supervisory authority of that Member State.

Article 59
Keeping of records

1. eu-LISA shall keep records of all data processing operations performed within the ETIAS Information System. Those records shall show the purpose of the access, the date and time of each operation, the data used for the automated processing of the applications, the hits found while carrying out the automated processing laid down in Article 18, the data used for verification of the identity regarding the ETIAS Central System or other information systems and databases, the results of the verification process referred to in Article 20 and the staff having performed it.

2. The ETIAS Central Unit shall keep records of the staff duly authorised to perform the identity verifications.
3. The ETIAS National Unit of the responsible Member State shall keep records in the ETIAS Information System of all data processing operations while carrying out the assessment referred to in Article 22. Those records shall show the date and time of each operation, the data used for interrogation of other information systems and databases, the data linked to the hit received, the staff having performed the risk assessment and the justification behind the decision to issue, refuse, revoke or annul a travel authorisation.

In addition, The ETIAS National Unit of the responsible Member State shall keep records of the staff duly authorised to enter or retrieve the data.

4. eu-LISA shall keep records of all data processing operations within the ETIAS Information System concerning the access by carriers to the gateway, and the access by border guards the competent authorities for carrying out border checks at external border crossing points and access by immigration authorities referred to in Article 39, and 41 and 42a. Those records shall show the date and time of each operation, the data used for launching the search, the data transmitted by the ETIAS Central System and the name of the authorised staff of the carriers, border guards and immigration authorities or of the competent authority entering and retrieving the data.

In addition, the carriers and the competent authorities shall keep records of the staff duly authorised to enter and retrieve the data.

5. Such records may be used only for the data protection monitoring of the admissibility of data processing as well as to ensure data security and integrity. Those records shall be protected by appropriate measures against unauthorised access and deleted one year after the retention period referred to in Article 47 has expired, if they are not required for monitoring procedures which have already begun.

eu-LISA and the ETIAS National Units shall make available those records to the European Data Protection Supervisor and, respectively, to the competent supervisory authorities on request.

Article 60

Keeping of records, logs and documentation for requests for consultation of data in order to prevent, detect and investigate terrorist offences or other serious criminal offences for law enforcement access

1. eu-LISA shall keep records of all data processing operations performed within the ETIAS Central System concerning the access by central access points for the purposes of Article 1(2). Those records shall show the date and time of each operation, the data used for launching the search, the data transmitted by the ETIAS Central System and the name of the authorised staff of the central access points entering and retrieving the data.

2. In addition, each Member State and Europol shall keep records of all data processing operations within the ETIAS Central System resulting from requests to consult or access to data stored in the ETIAS Central System for the purposes laid down in Article 1(2). The records shall include logs and documentation of all data processing operations.
3. The records shall show:

(a) the exact purpose of the request for consultation of or access to data stored in the ETIAS Central System, including the terrorist offence or other serious criminal offence concerned and, for Europol, the exact purpose of the request for consultation;

(b) the decision taken with regard to the admissibility of the request;

(c) the national file reference;

(d) the date and exact time of the request for access made by the National Central Access Point to the ETIAS Central System;

(e) where applicable, the use of the urgent procedure referred to in Article 44(4) and the decision taken with regard to outcome of the ex-post verification;

(f) which of the data or set of data referred to in Article 45(2) and (3) have been used for consultation;

(g) in accordance with national rules or with Regulation (EU) 2016/794, the identifying mark of the official who carried out the search and of the official who ordered the search or supply.

4. The records referred to in paragraphs 1 and 2 shall be used only to check the admissibility of the request, monitor the lawfulness of data processing and to ensure data integrity and security. Only records containing non-personal data may be used for the monitoring and evaluation referred to in Article 81. The European Data Protection Supervisor and the competent supervisory authorities responsible for monitoring the lawfulness of the data processing and data integrity and security shall have access to those records at their request for the purpose of fulfilling their duties. The authority responsible for checking the admissibility of the request shall also have access to those records for this purpose. Other than for such purposes, personal data, as well as the records of the consultation requests of data stored in the ETIAS Central System shall be erased in all national and Europol files after a period of one month, unless those data and records are required for the purposes of the specific ongoing criminal investigation for which they were requested by a Member State or by Europol.
CHAPTER XII
Public awareness

Article 61
Information to the general public

The ETIAS Central Unit shall provide the general public with all relevant information in relation to
the application for a travel authorisation, in particular:

(a) the criteria, conditions and procedures for applying for a travel authorisation;

(b) information concerning the website and the mobile application for a web mobile devices
where the application can be launched;

(c) the deadlines for deciding on an application provided for in Article 27;

(d) that decisions on applications must be notified to the applicant, that such decisions must state,
where relevant, the reasons grounds for refusal on which they are based and that applicants
whose applications are refused have a right to appeal, with information regarding the
procedure to be followed in the event of an appeal, including the competent authority, as well
as the time limit for lodging an appeal;

(e) that mere possession of a travel authorisation does not confer an automatic right of entry and
that the holders of a travel authorisation must fulfill the entry conditions as set out in Article 6
of Regulation (EU) N°2016/399 and are requested to present proof that they fulfil those
conditions at the external border, as provided for in Article 6 of Regulation (EU) 2016/399.

Article 62
Information campaign

The Commission shall, in cooperation with the ETIAS Central Unit, and the Member States,
accompany the start of the ETIAS operation with an information campaign, to inform third country
nationals falling within the scope of this Regulation of their travel authorisation and the requirement
for them to be in possession of a valid travel authorisation for crossing the external borders.
CHAPTER XIII
Responsibilities

Article 63
Responsibilities of eu-LISA during the designing and development phase

1. The ETIAS Information System shall be hosted by eu-LISA in its technical sites and shall provide the functionalities laid down in this Regulation in accordance with the conditions of security, availability, quality and speed pursuant to paragraph 3.

2. The infrastructures supporting the public website, the mobile app and the carrier gateway shall be hosted in eu-LISA’ sites or in Commission sites. These infrastructures shall be geographically distributed to provide the functionalities laid down in this Regulation in accordance with the conditions of security, availability, quality and speed laid down in Article 64(1) paragraph 3.

3. eu-LISA shall be responsible for the development of the ETIAS Information System, for any development required for establishing interoperability between the ETIAS Central System and the information systems referred to in Article 10.

eu-LISA shall define in cooperation with the Member States the design of the physical architecture of the system including its Communication Infrastructure as well as the technical specifications and their evolution as regards the Central System, and the National Uniform Interfaces, which These shall be adopted by the Management Board, subject to a favourable opinion of the Commission. eu-LISA shall also implement any necessary adaptations to the [EES], SIS, [Eurodac], [ECRIS] or VIS deriving from the establishment of interoperability with the ETIAS.

eu-LISA shall develop and implement the Central System, the National Uniform Interfaces, and the Communication Infrastructure as soon as possible after the entry into force of this Regulation and the adoption by the Commission of the measures provided for in Article 15(2) and (4), Article 16(4), Article 28(5), Article 39(3), Article 40(2) and Article 72(1) and (4).

eu-LISA shall develop a technical solution referred to in Article 81(8) as soon as possible after the entry into force of this Regulation and after the adoption by the Commission of the measures provided for in Article 81(8).

The development shall consist of the elaboration and implementation of the technical specifications, testing and overall project coordination.
4. During the designing and development phase, a Programme Management Board composed of a maximum of 10 members shall be established. It shall be composed of six members appointed by eu-LISA’s Management Board from among its members or its alternates, the Chair of the ETIAS-EES Advisory Group referred to in Article 80, a member representing eu-LISA appointed by its Executive Director, a member representing the European Border and Coast Guard Agency appointed by its Executive Director and one member appointed by the Commission. The members appointed by eu-LISA's Management Board shall be elected only from those Member States which are fully bound under Union law by the legislative instruments governing the development, establishment operation and use of all the large-scale IT systems managed by eu-LISA and which will participate in the ETIAS. The Programme Management Board will meet **regularly and at least three times per quarter once a month**. It shall ensure the adequate management of the design and development phase of the ETIAS. The Programme Management Board shall submit written reports every month to the Management Board on progress of the project. It shall have no decision-making power nor any mandate to represent the members of the Management Board.

5. The Management Board shall establish the rules of procedure of the Programme Management Board which shall include in particular rules on:

(a) chairmanship;

(b) meeting venues;

(c) preparation of meetings;

(d) admission of experts to the meetings;

(e) communication plans ensuring full information to non-participating Members of the Management Board.

The chairmanship shall be held by the Member State which is holding the Presidency, provided it is fully bound under Union law by the legislative instruments governing the development, establishment operation and use of all the large-scale IT systems managed by eu-LISA or, if this requirement is not met, by the Member State which shall next hold the Presidency and which meets that requirement.

All travel and subsistence expenses incurred by the members of the Programme Management Board shall be paid by the Agency and Article 10 of the eu-LISA Rules of Procedure shall apply mutatis mutandis. The Programme Management Board’s secretariat shall be ensured by eu-LISA.

The EES-ETIAS Advisory Group referred to in Article 80 shall meet regularly until the start of operations of the ETIAS. It shall report after each meeting to the Programme Management Board. It shall provide the technical expertise to support the tasks of the Programme Management Board and shall follow-up on the state of preparation of the Member States.
Article 64

Responsibilities of eu-LISA following the entry into operations of the ETIAS

1. Following the entry into operations of the ETIAS, eu-LISA shall be responsible for the technical management of the Central System and the National Uniform Interfaces. It shall ensure, in cooperation with the Member States, at all times the best available technology, subject to a cost-benefit analysis. eu-LISA shall also be responsible for the technical management of the Communication Infrastructure between the Central system and the National Uniform Interfaces as well as for the public website, the mobile app for mobile devices, the email service, the secure account service, the carrier gateway, the web service and the software to process the applications, as referred to in Article 6.

Technical management of the ETIAS shall consist of all the tasks necessary to keep the ETIAS Information System functioning 24 hours a day, 7 days a week in accordance with this Regulation, in particular the maintenance work and technical developments necessary to ensure that the system functions at a satisfactory level of technical quality, in particular as regards the response time for interrogation of the central database in accordance with the technical specifications.

2. Without prejudice to Article 17 of the Staff Regulations of Officials of the European Union, eu-LISA shall apply appropriate rules of professional secrecy or other equivalent duties of confidentiality to its entire staff required to work with data stored in the ETIAS Central System. This obligation shall also apply after such staff leave office or employment or after the termination of their activities.

3. eu-LISA shall also perform tasks related to providing training on the technical use of the ETIAS Information System.

4. eu-LISA shall develop and maintain a mechanism and procedures for carrying out quality checks on the data in the ETIAS Central System and shall provide regular reports to the Member States and the ETIAS Central Unit. eu-LISA shall provide a regular report to the Commission covering the issues encountered. This mechanism, procedures and interpretation of data quality compliance shall be laid down and developed by means of implementing measures in accordance with the examination procedure referred to in Article 79(2).
Article 65
Responsibilities of the European Coast Border and Border Coast Guard Agency

1. The European Coast Border and Border Coast Guard Agency shall be responsible for:
   (a) the setting up and operation of the ETIAS Central Unit;
   (b) the automated processing of applications;
   (c) the screening rules.

2. Before being authorised to process data recorded in the ETIAS Central System, the staff of the ETIAS Central Unit having a right to access the ETIAS Central System shall be given appropriate training about data security and data protection rules, in particular on relevant fundamental rights.

Article 66
Responsibilities of Member States

1. Each Member State shall be responsible for:
   (a) the connection to the National Uniform Interface;
   (b) the organisation, management, operation and maintenance of the ETIAS National Units for the examination of and decision on applications for travel authorisations' applications where rejected during the automated processing reported a hit of applications;
   (c) the organisation of central access points and their connection to the National Uniform Interface for the purpose of preventing, detecting and investigating terrorist offences or other serious criminal offences law enforcement;
   (d) the management and arrangements for access of duly authorised staff of the competent national authorities to the ETIAS Information System in accordance with this Regulation and to establish and regularly update a list of such staff and their profiles;
   (e) the set up and operation of the ETIAS National Units.

2. Each Member State shall use automated processes for querying the ETIAS Central System at the external border.

3. Before being authorised to process data recorded in the ETIAS Central System, the staff of the ETIAS National Units having a right to access the ETIAS Information System shall be given appropriate training about data security and data protection rules, in particular on relevant fundamental rights.
Article 67
Responsibilities of Europol

1. Europol shall ensure processing of the queries referred to in Article 18(2)(j) and (4) and accordingly adapting its information system.

2. Europol shall be responsible for the development and hosting establishment of the ETIAS watchlist pursuant to Article 29.

3. Europol shall be responsible for providing an opinion following a consultation request pursuant to Article 25 26.

4. Europol shall be responsible for providing information to the ETIAS watchlist related to terrorist offences or other serious criminal offences obtained by Europol through international cooperation pursuant to Article 29(2)(c).
CHAPTER XIV
Amendments to other Union instruments

Article 67a

Amendments to Regulation (EU) No 1077/2011

Regulation (EU) No 1077/2011 is amended as follows:

(1) In Article 1, paragraph 2 is replaced by the following:

“2. The Agency shall be responsible for the operational management of the second generation Schengen Information System (SIS II), the Visa Information System, Eurodac, [the Entry/Exit System (EES)] and the European Travel Information and Authorisation System (ETIAS).

(2) A new Article 5b is added after Article 5:

"Article 5b

Tasks relating to the ETIAS

In relation to ETIAS, the Agency shall perform:

(a) the tasks conferred on it by Regulation (EU) No XXX/20XX of the European Parliament and of the Council of X.X.X establishing European Travel Information and Authorisation System (ETIAS) and determining the conditions for access to the ETIAS for law enforcement purposes;

(b) tasks relating to training on the technical use of ETIAS."

(3) Article 7 is amended as follows:

(a) paragraph 5 and 6 are replaced by the following:

"5. Tasks related to the operational management of the communication infrastructure may be entrusted to external private-sector entities or bodies in accordance with Regulation (EC, Euratom)1605/2002. In such a case, the network provider shall be bound by the security measures referred to in paragraph 4 and shall have no access to SIS II, VIS, Eurodac, [EES] or ETIAS operational data, or to the SIS II-related SIRENE exchange, by any means.

6. Without prejudice to the existing contracts on the network of SIS II, VIS, Eurodac, [EES] and ETIAS, the management of encryption keys shall remain within the competence of the Agency and shall not be outsourced to any external private sector entity."
(4) In Article 8, paragraph 1 is replaced by the following:

“1. The Agency shall monitor the developments in research relevant for the operational management of SIS II, VIS, Eurodac, [EES], ETIAS and other large-scale information systems”.

(5) In Article 12, paragraph 1 is amended as follows:

(a) a new point (sb) is added after point (s):

“(sb) adopt the reports on the development of the ETIAS pursuant to Article 81(2) of Regulation (EU) XX/XX of XXX”.

(b) point (t) is replaced by the following:

“(t) adopt the reports on the technical functioning of SIS II pursuant to Article 50(4) of Regulation (EC) No 1987/2006 and Article 66(4) of Decision 2007/533/JHA respectively, of VIS pursuant to Article 50(3) of Regulation (EC) No 767/2008 and Article 17(3) of Decision 2008/633/JHA, [of EES pursuant to Article 64(4) of Regulation (EU) XX/XX of XXX] and of ETIAS pursuant to Article 81(4) of Regulation (EU) XX/XX of XXX.”

(c) point (v) is replaced by the following:

"(v) make comments on the European Data Protection Supervisor's reports on the audits pursuant to Article 45(2) of Regulation (EC) No 1987/2006, Article 42(2) of Regulation (EC) No 767/2008, Article 31(2) of Regulation (EU) No 603/2013, [Article 50(2) of Regulation (EU) XX/XX of XXX] and Article 57 of Regulation (EU) XX/XX of XXX [ETIAS] and ensure appropriate follow-up of those audits”.

(d) a new point (xb) is inserted after point x:

“(xb) publish statistics related to ETIAS pursuant to Article 73 of Regulation (EU) No XXXX/XX.

(e) a new point (zb) is added to point z:

“(zb) ensure annual publication of the list of competent authorities pursuant to Article 11(5) of Regulation (EU) No XXXX/XX.
(6) In Article 15, paragraph 4 is replaced by the following:

"4. Europol and Eurojust may attend the meetings of the Management Board as observers when a question concerning SIS II, in relation to the application of Decision 2007/533/JHA, is on the agenda. Europol may also attend the meetings of the Management Board as observer when a question concerning VIS, in relation to the application of Decision 2008/633/JHA, or a question concerning Eurodac, in relation to the application of Regulation (EU) No 603/2013, or a question concerning EES in relation to the application of Regulation (EU) XX/XX of XXX, or a question concerning ETIAS in relation to the application of Regulation (EU) XX/XX of XXX is on the agenda. The European Border and Coast Guard Agency may also attend the meetings of the Management Board as observer when a question concerning ETIAS in relation to the application of Regulation (EU) XX/XX of XXX is on the agenda.”.

(7) In Article 17 paragraph 5, point (g) is replaced by the following:

“(g) without prejudice to Article 17 of the Staff Regulations, establish confidentiality requirements in order to comply with Article 17 of Regulation (EC) No 1987/2006, Article 17 of Decision 2007/533/JHA, Article 26(9) of Regulation (EC) No 767/2008, Article 4(4) of Regulation (EU) No 603/2013, [Article 34(4) of Regulation (EU) XX/XX of XXX.] and Article 64(2) of Regulation (EU) XX/XX of XXX.”

(8) In Article 17 paragraph 6, point (ha) is added:

(ha) reports [on the development of the EES referred to in Article 64(2) of Regulation XX/XX (establishing the EES)] and on the development of ETIAS referred to in Article 81(2) of Regulation (EU) XX/XX (establishing ETIAS) and submitting them to the Management Board for adoption:

(9) Article 19 is amended as follows:

(a) paragraph 1 is replaced by the following:

“1. The following Advisory Groups shall provide the Management Board with expertise relating to large-scale IT systems and, in particular, in the context of the preparation of the annual work programme and the annual activity report:

(a) SIS II Advisory Group;

(b) VIS Advisory Group;

(c) Eurodac Advisory Group;

(d) [EES-] Advisory Group.

(d) [EES-]ETIAS Advisory Group.”
(b) paragraph (3) is replaced by the following:

“3. Europol and Eurojust may each appoint a representative to the SIS II Advisory Group. Europol may also appoint a representative to the VIS, Eurodac, [EES-] and ETIAS Advisory Groups. The European Border and Coast Guard Agency may also appoint a representative to the [EES-]ETIAS Advisory Group.”

**Article 68**

*Amendments to Regulation (EU) 515/2014*

Regulation (EU) 515/2014 is amended as follows:

In Article 6, the following paragraph 3bis is inserted:

“3bis. During the development phase Member States shall receive an additional allocation of 96,5 million EUR to their basic allocation and shall entirely devote this funding to ETIAS to ensure its quick and effective development in accordance with the implementation of the ETIAS Central System, as foreseen in [Regulation establishing a European Travel Information and Authorisation System (ETIAS)].”

**Article 69**

*Amendments to Regulation (EU) 2016/399*

Regulation (EU) 2016/399 is amended as follows:

1. Article 6 is amended as follows:

   (a) in paragraph 1, point (b) is replaced by the following:

   "(b) they are in possession of a valid visa if required pursuant to Council Regulation (EC) No 539/2001 or of a valid travel authorisation if required pursuant to [Regulation establishing a European Travel Information and Authorisation System], except where they hold a valid residence permit or a valid long stay visa;"

2. In Article 8, paragraph 3 is amended as follows:

   (a) in point (a), subpoint (i) is replaced by the following:

   "(i) verification that the third-country national is in possession of a document which is valid for crossing the border and which has not expired, and that the document is accompanied, where applicable, by the requisite visa, travel authorisation or residence permit."
(b) the following point (bb) is inserted:

"(bb) if the third country national holds a travel authorisation referred to in Article 6(1)(b) the thorough checks on entry shall also comprise the verification of the authenticity, validity and status of the travel authorisation and, if applicable, of the identity of the holder of the travel authorisation, by querying the ETIAS in accordance with Article 41 of [Regulation establishing a European Travel Information and Authorisation System (ETIAS)]"

3. In Annex V part B in the reasons for refusal, point (C) is replaced by the following:

"(C) has no valid visa, travel authorisation or residence permit."

4. In Annex VI, the second subparagraph of point 2.1.3 is replaced by the following:

"Member State shall ensure that the airport operator takes the necessary measures to prevent unauthorised persons entering and leaving the reserved areas, for example, the transit areas. Checks will normally not be carried out in the transit area, unless it is justified on the basis of an assessment of the risk related to internal security and illegal immigration; in particular, checks in this area may be carried out on persons subject to an airport transit visa or a travel authorisation order to check that they are in possession of such a visa or travel authorisation."

Regulation (EU) 2016/794 is amended as follows:

1. In Article 4 paragraph 1, the following point (n) is added:

"(n) establish, manage and update host the ETIAS watchlist referred to in Article 29 of [Regulation establishing a European Travel Information and Authorisation System (ETIAS)] in accordance with Article 18(2)(a)."

2. Article 21 is amended as follows:

(a) the title is replaced by the following:

"Article 21
Access by Eurojust, OLAF and, only for purposes of ETIAS, by the European Borders and Coast Guard Agency only for purposes of ETIAS to information stored by Europol"

(b) the following paragraph 1a is inserted:

"Europol shall take all appropriate measures to enable the European Borders and Coast Guard Agency, within its mandate and for the purposes of Regulation [Regulation establishing a European Travel Information and Authorisation System (ETIAS)], to have

* Deletion necessary as explained in the WK 5207/17 (amendments to Europol Regulation to be removed from the ETIAS Regulation).
indirect access on the basis of a hit/no hit system to information provided for the purposes of point (a) of Article 18(2) without prejudice to any restrictions indicated by the Member State, Union body, third country or international organisation providing the information in question, in accordance with Article 19(2).

In the case of a hit, Europol shall initiate the procedure by which the information that generated the hit may be shared, in accordance with the decision of the provider of the information to Europol, and only to the extent that the data generating the hit are necessary for the performance of the European Borders and Coast Guard Agency tasks related to ETIAS.

Paragraphs 2 to 7 of this Article shall apply accordingly.

Article 71
Amendments to Regulation (EU) 2016/1624

Regulation (EU) 2016/1624 is amended as follows:

1. In Article 8 paragraph 1, the following point (qq) is inserted:

"(qq) fulfil the tasks and obligations entrusted to the European Coast Border and Coast Guard Agency referred to in [Regulation establishing a European Travel Information and Authorisation System (ETIAS)] and ensure the setting up and operation of the ETIAS Central Unit in accordance with Article 7 of [Regulation establishing a European Travel Information and Authorisation System (ETIAS)]."

2. In Chapter II, the following Section 5 is added:

"Section 5
The ETIAS

Article 33a
Creation of the ETIAS Central Unit

1. An ETIAS Central Unit is hereby established.

2. The European Border and Coast Guard Agency shall ensure the creation and management of an ETIAS Central Unit pursuant to Article 7 of [Regulation establishing a European Travel Information and Authorisation System (ETIAS)]."
CHAPTER XV

Final provisions

Article 72

Transitional period and transitional measures

1. For a period of six months from the date ETIAS commences operations, the utilisation of ETIAS shall be optional and the requirement to be in possession of a valid travel authorisation shall not apply. The Commission may adopt a delegated act in accordance with Article 78 to extend that period for a maximum of a further six months.

2. During this six month period, the border guards competent for carrying out border checks shall inform third country nationals subject to the travel authorisation requirement crossing the external borders of the requirement to have a valid travel authorisation from the expiry of the six month period. For this purpose, the border guards shall distribute a common leaflet to this category of travellers.

3. The common leaflet shall be drawn up and set up by the Commission. That implementing act shall be adopted in accordance with the examination procedure referred to in Article 79(2) and shall contain at a minimum the information referred to in Article 61. The leaflet shall be clear and simple and available in a language version the person concerned understands or is reasonably assumed to understand.

4. A period of grace of six months may apply following the end of the period defined in paragraph 1. During such period, the requirement to be in possession of a valid travel authorisation shall apply. During the period of grace the border guards competent for carrying out border checks shall exceptionally allow third country nationals subject to the travel authorisation requirement who are not in possession of a travel authorisation to cross the external borders where they fulfil all the remaining conditions of Article 6(1) of Regulation (EU) 2016/399 provided that they cross the external borders of the Member States for the first time since the end of the period referred to in paragraph 1 of this Article. The border guards shall inform the third country nationals subject to the travel authorisation requirement of the requirement to be in possession of a valid travel authorisation in accordance with Article 6(1)(b) of Regulation (EU) 2016/399. The Commission may adopt a delegated act in accordance with Article 78 to extend that period for a maximum of a further six months.

5. The Commission shall adopt delegated acts on the duration of the period of grace referred to in paragraph 4. That period shall not exceed twelve months from the end of the period defined in paragraph 1.
Article 73
Use of data for reporting and statistics

1. The duly authorised staff of the competent authorities of Member States, the Commission, eu-LISA and the ETIAS Central Unit shall have access to consult the following data, solely for the purposes of reporting and statistics without allowing for individual identification:

(a) status information;
(b) nationalities, sex and date of birth of the applicant;
(c) the country of residence;
(d) education;
(e) current occupation (domain), job title;
(f) the type of the travel document and three letter code of the issuing country;
(g) the type of travel authorisation and, for travel authorisation with limited territorial validity as referred to in Article 38, a reference to the Member State(s) issuing the travel authorisation with limited territorial validity;
(h) the validity period of the travel authorisation;
(i) the reasons for refusing, revoking or annulling a travel authorisation;
(j) IP address.

2. For the purpose of paragraph 1, eu-LISA shall establish, implement and host a central repository containing the data referred to in paragraph 1 which would not allow for the identification of individuals and would allow the authorities listed in paragraph 1 to obtain customisable reports and statistics to improve the assessment of the security, irregular illegal immigration, security and public health risks, to enhance the efficiency of border checks, to help the ETIAS Central Unit and the ETIAS National Units processing the travel authorisation applications and to support evidence-based Union migration policymaking. The repository shall also contain daily statistics on the data referred to in paragraph 4. Access to the central repository shall be granted by means of secured access through S-TESTA-ng with control of access and specific user profiles solely for the purpose of reporting and statistics.

Detailed rules on the operation of the central repository and the data protection and security rules applicable to the repository shall be adopted in accordance with the examination procedure referred to in Article 79(2).
3. The procedures put in place by eu-LISA to monitor the development and the functioning of the ETIAS Information System referred to in Article 81(1) shall include the possibility to produce regular statistics for ensuring that monitoring.

4. Every quarter, eu-LISA shall publish statistics on the ETIAS Information System showing in particular the number and nationality of applicants whose travel authorisation was refused, including the grounds for refusal, and of third country nationals whose travel authorisation was annulled or revoked.

5. At the end of each year, statistical data shall be compiled in the form of quarterly statistics for that year.

6. At the request of the Commission, eu-LISA shall provide it with statistics on specific aspects related to the implementation of this Regulation as well as the statistics pursuant to paragraph 3.

Article 74
Costs

The costs incurred in connection with the development of the ETIAS Information System, the integration of the existing national border infrastructure and the connection to the National Uniform Interface as well as the set-up of the ETIAS Central and National Units and the operation of the ETIAS shall be borne by the general budget of the Union.

The costs of the operation of the ETIAS shall also be borne by the revenues generated by ETIAS. This shall include the operation and maintenance costs of the ETIAS Information System, including of the National Uniform Interface; the operation costs of the ETIAS Central Unit and the costs of staff and ICT of the ETIAS National Units.

The following costs shall be excluded:

(a) Member States’ project management office (meetings, missions, offices);

(b) hosting of national systems (space, implementation, electricity, cooling);

(c) operation of national systems (operators and support contracts);

(d) customisation of existing border checks;

(e) design, development, implementation, operation and maintenance of national communication networks;
**Article 75**

**Revenues**

The revenues generated by the ETIAS shall constitute external assigned revenue in accordance with Article 21(4) of Regulation (EU, EURATOM) No 966/2012.

Operation costs of the ETIAS including maintenance costs and other operational costs for Member States shall be fully covered by the fee revenue referred to in Article 16. The revenues needed to cover operation costs generated by the ETIAS shall constitute external assigned revenue in accordance with Article 21(4) of Regulation (EU, EURATOM) No 966/2012. If the fee revenue exceeds the operation costs of the ETIAS, the surplus shall be entered into the general budget of the Union. The budget authority shall re-examine on a yearly basis the revenue generated from ETIAS and the level of operational costs.

**Article 76**

**Notifications**

1. Member States shall notify the Commission of the authority which is to be considered as controller referred to in Article 50.

2. The ETIAS Central Unit and the Member States shall notify eu-LISA of the competent authorities referred to in Article 11 which have access to the ETIAS Information System. A consolidated list of those authorities shall be published in the *Official Journal of the European Union* within a period of three months from the date on which ETIAS commenced operations in accordance with Article 77. Where there are amendments to the list, eu-LISA shall publish an updated consolidated list once a year.

3. Member States shall notify the Commission of their designated authorities and central access points referred to in Article 43 and shall notify without delay any amendments thereto.

4. eu-LISA shall notify the Commission of the successful completion of the test referred to in Article 77(1)(b).

5. The Commission shall make the information notified pursuant to paragraph 1 available to the Member States and the public by a constantly updated public website.
Article 77
Start of operations

1. The Commission shall determine the date from which the ETIAS is to start operations, after the following conditions are met:

(a) the measures referred to in Article 15(3) and (4), Article 16(4), Article 28(3), Article 39(3), Article 40(2), Article 72(1) and (5) and Article 73(2) have been adopted;

(b) eu-LISA has declared the successful completion of a comprehensive test of the ETIAS;

(c) eu-LISA and the ETIAS Central Unit have validated the technical and legal arrangements to collect and transmit the data referred to in Article 15 to the ETIAS Central System and have notified them to the Commission;

(d) the Member States and the ETIAS Central Unit have notified to the Commission the data concerning the various authorities referred to in Article 76(1) and (3).

2. The test of the ETIAS referred to in point (b) of paragraph 1 shall be conducted by eu-LISA in cooperation with the Member States and the ETIAS Central Unit.

3. The Commission shall inform the European Parliament and the Council of the results of the test carried out pursuant to point (b) of paragraph 1.

4. The Commission decision referred to in paragraph 1 shall be published in the Official Journal of the European Union.

5. The Member States and the ETIAS Central Unit shall start using the ETIAS from the date determined by the Commission in accordance with paragraph 1.
Article 78

Exercise of the delegation

1. The power to adopt delegated acts is conferred on the Commission subject to the conditions laid down in this Article.

2. The power to adopt delegated acts referred to in Article 15(3), (5) and (4)(6), Article 16(4), Article 28(3)(1) and Article 72(1) and (5)(4) shall be conferred on the Commission for an indeterminate period of time five years from [the date of entry into force of this Regulation]. The Commission shall draw up a report in respect of the delegation of power not later than nine months before the end of the five-year period. The delegation of power shall be tacitly extended for periods of an identical duration, unless the European Parliament or the Council opposes such extension not later than three months before the end of each period.

3. The delegation of power referred to in Article 15(3), (5) and (4)(6), Article 16(4), Article 28(3)(1) and Article 72(1) and (5)(4) may be revoked at any time by the European Parliament or by the Council. A decision to revoke shall put an end to the delegation of the power specified in that decision. It shall take effect the day following the publication of the decision in the Official Journal of the European Union or at a later date specified therein. It shall not affect the validity of any delegated acts already in force.

3a. Before adopting a delegated act, the Commission shall consult experts designated by each Member State in accordance with the principles laid down in the Interinstitutional Agreement on Better Law-Making of 13 April 2016.

4. As soon as it adopts a delegated act, the Commission shall notify it simultaneously to the European Parliament and to the Council.

5. A delegated act adopted pursuant to Article 15(3), (5) and (4)(6), Article 16(4), Article 28(3)(1) and Article 72(1) and (5)(4) shall enter into force only if no objection has been expressed either by the European Parliament or the Council within a period of [two months] of notification of that act to the European Parliament and the Council or if, before the expiry of that period, the European Parliament and the Council have both informed the Commission that they will not object. That period shall be extended by [two months] at the initiative of the European Parliament or of the Council.

21 The delegation of power proposed by the Commission in Article 78(2) is for an indeterminate period of time, which corresponds to option 1 of the duration standard clauses set out in the appendix of "Better Law-Making" Interinstitutional Agreement (see page 13): http://eur-lex.europa.eu/legal-content/EN/TXT/PDF/?uri=OJ:L:2016:123:FULL&from=EN

However, two other options are possible:
- delegation for a determined period with a tacit extension for periods of an identical duration and a Commission's report in respect of the delegation of power not later than nine months before the end of original period (option 2) and
- delegation for a determined period without a tacit extension (option 3).

The Council often opts for a delegation of five years with a tacit extension (option 2). The Presidency wishes to have the delegations' views on the preferred option.
Article 79
Committee procedure

1. The Commission shall be assisted by a committee. That committee shall be a committee within the meaning of Regulation (EU) No 182/2011.

2. Where reference is made to this paragraph, Article 5 of Regulation (EU) No 182/2011 shall apply. Where the Committee delivers no opinion, the Commission shall not adopt the draft implementing act and the third subparagraph of Article 5(4) of Regulation (EU) No 182/2011 shall apply.

Article 80
Advisory group

The eu-LISA EES Advisory Group responsibilities shall be extended to ETIAS. This EES-ETIAS Advisory Group shall provide eu-LISA with the expertise related to the ETIAS in particular in the context of the preparation of its annual work programme and its annual activity report.

Article 81
Monitoring and evaluation

1. eu-LISA shall ensure that procedures are in place to monitor the development of the ETIAS Information System in light of objectives relating to planning and costs and to monitor the functioning of the ETIAS in light of objectives relating to the technical output, cost-effectiveness, security and quality of service.

2. By [Six months after the entry into force of this Regulation – OPOCE, please replace with the actual date] and every six months thereafter during the development phase of the ETIAS Information System, eu-LISA shall submit a report to the European Parliament and the Council on the state of play of the development of the Central System, the National Uniform Interfaces and the Communication Infrastructure between the Central System and the National Uniform Interfaces. Once the development is finalised, a report shall be submitted to the European Parliament and the Council explaining in detail how the objectives, in particular relating to planning and costs, were achieved as well as justifying any divergences.

3. For the purposes of technical maintenance, eu-LISA shall have access to the necessary information relating to the data processing operations performed in the ETIAS Information System.

4. Two years after the start of operations of the ETIAS and every two years thereafter, eu-LISA shall submit to the European Parliament, the Council and the Commission a report on the technical functioning of ETIAS Information System, including the security thereof.
5. Three years after the start of operations of the ETIAS and every four years thereafter, the Commission shall evaluate ETIAS and shall make any necessary recommendations to the European Parliament and the Council. This evaluation shall include:

(a) the results achieved by the ETIAS having regard to its objectives, mandate and tasks;
(b) the impact, effectiveness and efficiency of the ETIAS performance and its working practices in relation to its objectives, mandate and tasks;
(c) the rules of the automated application processor used for the purpose of risk assessment;
(d) the possible need to modify the mandate of the ETIAS Central Unit;
(e) the financial implications of any such modification;
(f) the impact on fundamental rights.

The Commission shall transmit the evaluation report to the European Parliament and the Council.

6. The Member States and Europol shall provide eu-LISA, the ETIAS Central Unit and the Commission with the information necessary to draft the reports referred to in paragraphs 4 and 5. This information shall not jeopardise working methods or include information that reveals sources, staff members or investigations of the designated authorities.

7. eu-LISA and the ETIAS Central Unit shall provide the Commission with the information necessary to produce the evaluations referred to in paragraph 5.

8. While respecting the provisions of national law on the publication of sensitive information, each Member State and Europol shall prepare annual reports on the effectiveness of access to data stored in the ETIAS Central System for law enforcement purposes of preventing, detecting and investigating terrorist offences or other serious criminal offences, containing information and statistics on:

(a) the exact purpose of the consultation including the type of terrorist or serious criminal offence;
(b) reasonable grounds given for the substantiated suspicion that the suspect, perpetrator or victim is covered by this Regulation;
(c) the number of requests for access to the ETIAS Central System in order to prevent, detect and investigate terrorist offences or other serious criminal offences for law enforcement purposes;
(d) the number and type of cases which have ended in hits successful identifications;
(e) the need and use made of the exceptional case of urgency procedure referred to in Article 44(4) including those cases where that urgency was not accepted by the ex post verification carried out by the central access point in accordance with Article 44(5).
The specifications for a technical solution shall be made available to Member States in order to facilitate the collection of this data pursuant to Chapter IX for the purpose of generating statistics referred to in this paragraph. The specifications shall be adopted by the Commission by means of implementing acts in accordance with the examination procedure referred to in Article 79(2).

Member States’ and Europol’s annual reports shall be transmitted to the Commission by 30 June of the subsequent year.

Article 82
Entry into force and applicability

This Regulation shall enter into force on the twentieth day following that of its publication in the Official Journal of the European Union.

This Regulation shall be binding in its entirety and directly applicable in the Member States in accordance with the Treaties.
