OUTCOME OF PROCEEDINGS

of : Terrorism Working Party

dated : 14 February 1994

1. The working party adopted the agenda contained in telex N° 196 of 19 January 1994 and agreed to the addition of two items under other business (see point 4 below).

2. **Suggestions for operational cooperation in combatting terrorism**

(docs 4367/94 ENFOPOL 10
4852/94 ENFOPOL 21)

The Council, at its meeting on 29/30 November 1993, agreed to ask for a report containing suggestions for operational cooperation to be drawn up under the aegis of the K.4 Committee for examination at its next meeting scheduled for the 23 March 1994.

In the light of the observations and suggestions made by the delegations, the Presidency drew up a note (see doc. 4938/94 ENFOPOL 24) which has been forwarded to Steering Group II for consideration prior to further possible deliberations at K.4 and Council levels.

3. **Opinion on Visa Policy regarding countries representing a terrorist threat**

(docs 11287/93 ASIM 32
4409/94 ENFOPOL 11)

The results of the deliberations of the Working Party are contained in the Presidency note to Steering Group I (see doc. 4935/94 ASIM 24).

4. **Any other business**

(i) Communications

All delegations considered that, with a view to establishing a safe, reliable and efficient means of exchanging information, it was essential to hold a meeting in the near future, devoted entirely to communications problems within the new Title VI structures, especially with regard to confidentiality and the present cryptofax and electronic mail systems.

The Presidency would endeavour to find a suitable date and location for the meeting and inform the delegations accordingly.

(ii) Terrorism : the threat to Canada and the Canadians

The above document was distributed to delegations following the request made by the K.4 Committee at its meeting on the 15 December 1993 to include the examination of this document in the reflections of the terrorism working party. This matter will be examined in greater detail at the next meeting of the working party in preparation for the June Troika meeting.
