RESTREINT

CK4 37

OUTCOME OF PROCEEDINGS

of: K.4 Committee

on: 14 and 15 April 1994

No. prev. doc.: 6014/94 CK4 28

Subject: Implementation of Title VI: application of Article K.3 (2)(c) (conventions)

At its meeting on 14 and 15 April 1994 the K.4 Committee produced the attached draft concerning the form to be taken by the Council act drawing up conventions to be adopted in the framework of Title VI of the TEU and the form of the conventions themselves.

It was agreed that conventions would be drawn up and signed the same day. Should any internal procedural problems (such as the need to have the final text available in order to establish the full powers) prevent the signing from taking place during the meeting at which the last difficulties concerning the text of the convention were resolved, the Council would note that there was political agreement and would postpone until its next meeting in the same composition the formal drawing up of the text and its signing by the representatives of all the Governments of the Member States.

The Danish delegation maintained a scrutiny reservation.
