"I/A" ITEM NOTE

from: Presidency

to : Permanent Representatives Committee/Council

Subject: Draft conclusions on the three-year programme of work of the EDMC (1995-1997)

At its meeting on 12 June 1995 the Coordinators' Group on Drugs heard the communication from the Director of the EDMC on the first three-year programme of work (1995-1997).

The Coordinators confirmed the positive assessment that the EDMC's Management Board had already unanimously made of the programme.

The Coordinators' Group on Drugs therefore recommends that Coreper also confirm the unanimous approval of the programme in question (see 5759/95 CK4 18) and enter this matter as an "A" item on the agenda for a forthcoming Council meeting so that the EDMC's Management Board can definitively adopt it at its next meeting on 29 and 30 June 1995 in Lisbon.
