EUROPEAN UNION
THE COUNCIL

Brussels, 21 September 1995 (22.09)
(OR. f)

LIMITE

ASIM 252

"A" ITEM NOTE

to: Council

No. prev. doc.: 8163/95 ASIM 192

Subject: Draft Council Resolution on burden-sharing with regard to the admission and residence of displaced persons on a temporary basis

1. At its meeting on 20 and 21 June 1995, the Council (JHA) noted agreement in principle both on the above draft Resolution, the 5th recital of which it amended, and on the draft conclusions attached hereto.

   It was agreed that it would be formally adopted as an "A" item as soon as possible, following finalization by the legal/linguistic experts and the withdrawal of linguistic scrutiny reservations by the Finnish and Swedish delegations.

   It was also agreed that it would be published in the Official Journal of the European Communities.

2. At the meeting of the Permanent Representatives Committee on 20 September, the Greek, Austrian and Swedish delegations entered provisional or linguistic reservations, but did not oppose entering the Resolution as an "A" item, as they hoped to be in a position to withdraw their reservations at the Council meeting.

3. Subject to the preceding paragraph, the Permanent Representatives Committee recommends to the Council that it:

- adopt the text of the Resolution as finalized by the legal/linguistic experts and set out in **8515/95 ASIM 204,**

- enter the attached conclusions in the minutes of the meeting at which the Resolution is adopted,

- publish the Resolution in the Official Journal of the European Communities.

COUNCIL RESOLUTION
ON BURDEN-SHARING
WITH REGARD TO THE ADMISSION AND RESIDENCE OF DISPLACED PERSONS
ON A TEMPORARY BASIS

Council conclusions
for entry in the Council minutes

"The Council approved this Resolution on burden-sharing with regard to the admission and residence of displaced persons on a temporary basis. It considers that this overall agreement requires additional discussion to enable the European Union to react effectively to crisis situations.

The Council therefore requests the competent bodies to report to it soon on this subject, and in particular to propose an alert and emergency procedure to give full effect to the principles agreed."
