NOTE FROM THE DUTCH PRESIDENCY

Subject: Amendments and explanatory note on representation tables with respect to the issue of Schengen visa in third States where not all Schengen States are represented.

Representation table with respect to the issue of Schengen visa in third States where not all Schengen States are represented.

- State of affairs on 30 May 1996

1) France (instead of Germany) represents the Benelux States in Bangui (Central African Republic).

2) As France no longer has a consulate in Aden (Yemen) the "E" in column 3" has been deleted

3) Massaua is now listed under Eritrea instead of under Ethiopia.

The Central Group is requested to acknowledge this table and said amendments.
