ADDENDUM TO NOTE

from :	Presidency
to :	Police Cooperation Working Party
No. prev. doc. :	8937/1/00 ENFOPOL 36 REV 1
Subject :	Draft Council Resolution on the standardisation of DNA technology and the exchange of DNA analysis results

Page 4, Article III(3)

At the Working Party's meeting on 27 and 28 September 2000, it was proposed to add a footnote to Article III(3), after the phrase "The placing of a server at Europol":

"If such a server is installed, it will only permit exchanges between Member States, excluding any centralisation of data."
