Public Access to Documents

guidelines

FRONTEX PAD STATISTICS

PAD HIGHLIGHTS

WHO CAN APPLY

DOCUMENTS AND DATABASES

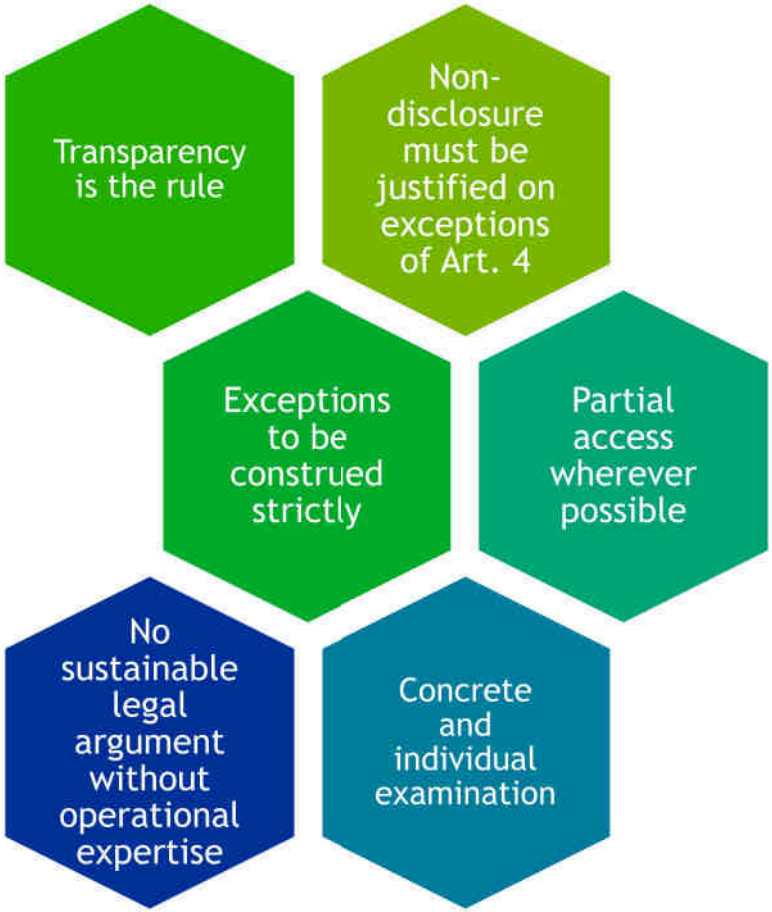

NON-DISCLOSURE

MEMBER STATES & THIRD PARTIES CONSULTATION

COMPLIANCE WITH REGULATION 1049/2001

Article 4

Exceptions

1. The institutions shall refuse access to a document where disclosure would undermine the protection of:

(a) the public interest as regards:
- public security,
- defence and military matters,
- international relations,
- the financial, monetary or economic policy of the Community or a Member State;

(b) privacy and the integrity of the individual, in particular in accordance with Community legislation regarding the protection of personal data.

2. The institutions shall refuse access to a document where disclosure would undermine the protection of:
- commercial interests of a natural or legal person, including intellectual property,
- court proceedings and legal advice,
- the purpose of inspections, investigations and audits,

unless there is an overriding public interest in disclosure.

3. Access to a document, drawn up by an institution for internal use or received by an institution, which relates to a matter where the decision has not been taken by the institution, shall be refused if disclosure of the document would seriously undermine the institution's decision-making process, unless there is an overriding public interest in disclosure.

Access to a document containing opinions for internal use as part of deliberations and preliminary consultations within the institution concerned shall be refused even after the decision has been taken if disclosure of the document would seriously undermine the institution's decision-making process, unless there is an overriding public interest in disclosure.
